

A personal Testimony

**OF A LOVE OF LIFE &
ALL ITS PLEASURES**

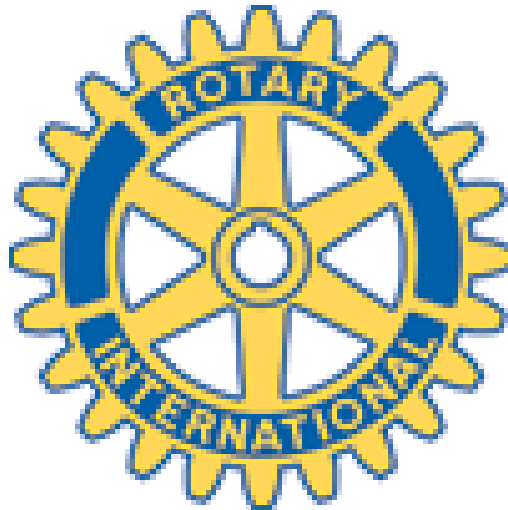

Talk about giving
And doing good
B/G

A photograph of a person's torso in a white shirt and dark tie, with hands on hips. The image is framed by a black border. To the right of the image is a white text box containing the title and content of the testimony.

IT BECAME A SELFISH & SELF-EFFACING TYPE OF GIVING

ALL ABOUT IMAGE & REPUTATION
A giving that had little meaning

SERVICE AND CHARITY HAS
TO GRIP YOU AND OPEN UP
YOUR EYES & YOUR MIND

FOR IT TO BE COUNTED.....

That grip must also open
up the eyes of your heart!

	<p>Doing good CANNOT WAIT</p> <p>Miser & gold Man & stroke</p>

INDUCTION INTO ROTARY

GREAT BONDS WILL BE FORMED but will be mixed feelings.....

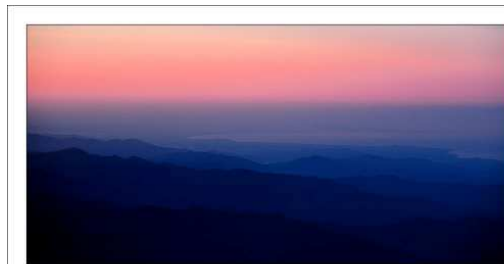

For some, **DOUBTS**
For some, **RELUCTANCE**

For some, **TIME**
For some, **SACRIFICE**

But **DON'T** start **WRONG!!!**

WHAT YOU BRING TO IT THAT COUNTS

AT OUR LIFE'S END, WILL NOT BE THE
RICHES THAT COUNT – SELFISHNESS ENDS
THE SAME WAY THAT IT IS STRUCTURED
