

NEWSFLASH

MESSAGE FROM INCOMING DISTRICT GOVERNOR HENRY TAN TO ALL ROTARY CLUBS IN DISTRICT 3310

The month of June has arrived. We are just one month away from a new Rotary Year. Here are some gentle reminders to all clubs in our District. Get ready for an exciting year – a year to inspire others.

1. Update Of Membership Information

Please be reminded that Clubs must update their membership before the end of day on 30 June 2018 for the July dues invoice. Do take note that club officers will not be able to add or terminate members online more than 30 days before or after a member's termination or admission date. If it goes beyond the 30-day period, club officers must email the changes to data@rotary.org to make the update for them. So please update well before the 30 June deadline to enjoy a smooth start.

2. Reporting Of Incoming Club Officers

Please proceed to do so if you have not done it. If you have already reported it then go to Rotary Club Central on My Rotary to set your club goals for 2018-19.

Allow me to share the figures (see below) which have been provided by Chonticha Yurai, Senior Officer, RI.

The statistics highlighted in red are for those districts whose reported club officer rates and My Rotary registration rates for club officers are still below 80%. Although the rate for District 3310 is above 80% it still shows that not all clubs have carried out the reporting. It is important to report it otherwise RI will not know who are your incoming club officers and this could result in no communication between RI and your club.

3. Percentage Of RY 2018-19 Club Presidents & Secretaries With Active My Rotary Accounts

For our District the percentage is 85.51% and 76.81% respectively. I urge those who have not done so to quickly start a My Rotary account. RI has an impressive IT platform which has even won international award. So make good use of it. It is a platform to engage younger members also. Without an account you will not be able to report your club's goals, activities, pay your dues, make PHF donations, find out what other Rotarians are doing, etc. In other words, you will be cut off from the rest through self-isolation. I encourage all club members to have an account.

4. Setting Up Of Club Goals

You will notice that out of 69 clubs in our District not many have set their goals yet. Club goals have been announced earlier during the PETS. Goals which have been authorised by RI are important as they provide the direction for a club to follow. Without proper goals, a club may end up with no achievement or end up doing irrelevant activities. For those clubs who have already set goals I encourage you to review your goals so that they are all in line with the requirements of a Presidential Citation. It would be nice, that after a year of hard work, your activities can be recognised by way of a Presidential Citation. So aim high and in the process inspire others.
