Dear Fellow Rotarians,

SEPTEMBER is Rotary's Basic Education and Literacy Month. Rotary's goal is to empower communities to support basic education and literacy, reduce gender disparity in education and increase adult literacy. How wonderful and thoughtful it is of Rotary being such a caring organisation. It is not just about giving but it is also the way Rotary cares for the wellbeing of those in needs. To my parents, every child in the family should have basic education, a basic education that provides one with the foundation to read and gain knowledge moulding character as first step into the working world. Supporting education is one of Rotary's Seven Areas of focus and sizable amount of fundings have been provided for this program both at Rotary international level as well as at the district and club levels.

With different theme each month, I wonder how many clubs follows the theme to organise their club project. Yes, there are clubs who do follow the theme of the month especially on program like having virtual talks where speakers are invited to speak on topics related to the theme of the month. Examples recently were talks held by clubs on literacy and

developing a lifelong learning mindset for positive economic impact and other educational and literacy related issues.

Since I started my Governor's visit, I have met about 20 club's Presidents and members of those clubs, THANK YOU for making my virtual visits a very meaningful one. You have taken great effort to design flyer to welcome me, logging in on time and giving me the opportunity to know you. I would be meeting the rest of you soon.

This month we saw the appointments of Assistant Ambassadors for Girls Empowerment by Rotary International for each of our four regions to ensure the successful implementation of one of Rotary International President's goals of empowering girls through education, health care and the provision other related facilities. I wish to congratulate Assistant Governor Mandy Sia, Past President Datuk Dr Hajjah Tarsiah TZ Taman, Past President Perlita Tiro and Rotarian Esther Hu for being appointed as our Assistant Ambassador .

During my club visits, I also encouraged clubs to review their club projects while take stock of the happenings and the interest of the club members. Most signature projects of clubs would have reached it saturated point by now if the club has been around for 4 to 5 years or more. To keep the vibrancy of the club and to attract new members, a second signature project would need to be looked into which are of general acceptance of members. I suggested too that clubs consider having yearly club strategic planning meeting or retreat, of course when the situation permits. In such retreat, do deliberate on question such as what or where do you want your club to be in say three years' time? Some clubs do already have a strategic plan. We should not underestimate the importance of planning.

Thank you once again and congratulations to those clubs that I have visited for all of you are unique in your own ways in holding the Rotary motto Service Above Self and Serve to Change the lives of others. I am sure this goes for the others too.

Till we meet again, wishing all of you every success and take care.

Yours in Rotary

There are moments in our lives, we wonder if we have done the right thing.

There is no turning back but there is always a path of opportunity right in from of you.

The choices are many depending on the number of crossroads ahead of us.

I have every confidence that you are on the correct path reading what had just been written by someone in the same boat as you.

A boat that you and I have set sailed together, in rough, smooth or thunderstorm with lighting, we shall encounter it together and make it a wonderful journey.

九月是扶轮的基础教育和识字月。扶轮的目标是增强社区对基础教育和识字的支持，减少教育中的性别差异并提高成人识字率。扶轮作为一个有爱心的组织，是多么美妙和周到。不仅仅是给予，也关心那些有需要帮助的人的福利。对我的父母来说，家庭中的每个孩子都应该接受基础教育，这种基础教育奠定了个人阅读和获得知识的基础，塑造了日后踏进社会工作的第一步。支持教育是扶轮七大焦点领域之一，在国际扶轮，地区和扶轮社层面，都为教育计划提供了相当数量的资金。

每个月都有不同的扶轮月主题，我想知道有多少扶轮社按照个别主题来组织他们的服务计划。是的，有些扶轮社确实会关注扶轮月的主题，尤其是在虚拟讲座的节目中，邀请演讲者对本月主题相关的话题发表演讲。最近的例子是扶轮社举行关于识字和培养终身学习心态的讲座，以便产生积极的经济影响以及其他教育和识字相关问题。

自公式访问开始以来，我已经会见了大约20位扶轮社社长及其社员，感谢你们让我的虚拟访问变得非常有意义。你们很用心地设计欢迎访问的传单，网上准时登录，让我从交谈中认识你。我想很快就有机会与其他社员见面。

在这九月里我们看到扶轮为我们四个区域中的每一个区域，分别任命了女孩赋权助理大使，以确保成功实施国际扶轮社长的目标

之一，即通过教育、医疗保健和提供其他相关设施赋予女孩力量。我祝贺助理总监 Mandy Sia、前社长 Datuk Dr Hajjah Tarsiah TZ Taman、前社长 Perlita Tiro 和扶轮社员 Esther Hu huo 出任我们的助理大使。

在访问扶轮社期间，我会鼓励扶轮社检讨他们的服务计划，同时评估眼下的活动和社员的兴趣。扶轮社如果已成立4到5年或更长时间，那么大多数社的标志性项目或许已经达到了饱和点。为了保持扶轮社的活力并吸引新社员，他们需要研讨普遍得到社员认可的第二个标志性项目。我也建议扶轮社考虑每年举行一次战略规划会议或在情况允许下，组织户外休闲活动。在休闲养性期间，务必仔细考虑诸如三年后我的扶轮社往哪个方向走？我社会处于什么样的状态之类的问题？一些扶轮社已经制定好战略计划。在任何时刻我们都不应低估规划的重要性。

再次感谢并祝贺我访问过的扶轮社，你们以自己独一无二的方式，坚持扶轮的座右铭“超我服务”和以服务改善人生。我相信其他人也一样会坚持到底，造福人群。

在生活中，有时候我们很想知道自己做的事是否正确。

人生没有回头路，但总会有个机会在前方。

选择很多时候是取决于前面个十字路口的数量

我有信心，想信你步行在正确的路上，阅读着与你同舟共济的人的写作

风雨同舟我俩一起启航，不管雷雨交加，我们同舟共济，奇迹般的一起创造这段美妙的旅程。

祝愿诸事顺利，疫情下多保重。

## OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

**FIRST:** The development of acquaintance as an opportunity for service;

**SECOND:** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

**THIRD:** The application of the ideal of service in each Rotarian's personal, business, and community life;

**FOURTH:** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

## THE FOUR-WAY TEST

The Four-Way Test is a nonpartisan and nonsectarian ethical guide for Rotarians to use for their personal and professional relationships. The test has been translated into more than 100 languages, and Rotarians recite it at club meetings:

Of the things we think, say or do

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

**Education is the basic tool for the development of consciousness and the reconstitution of society.**

# PRESIDENT'S MESSAGE

GREETINGS, MY DEAR CHANGEMAKERS,

I am sure you are having an enriching experience as you *Serve to Change Lives*. One of the ways you can make the greatest change in a person's life is to help them learn to read.

Literacy opens up the world to us. It makes us better informed about life in our own communities and opens vistas to other cultures. Reading and writing connects people and gives us another way to express our love for one another.

September is Basic Education and Literacy Month in Rotary. Enhancing literacy skills is critical in our pursuit of reducing poverty, improving health, and promoting peace. In fact, if all students in low-income countries left school with basic reading skills, it would result in a significant cut in global poverty rates.

Without education, illiterate children become illiterate adults. Today, 14 percent of the world's adult population — 762 million people — lack basic reading and writing skills. Two-thirds of that group are women. Literacy and numeracy skills are essential to obtaining better housing, health care, and jobs over a lifetime.

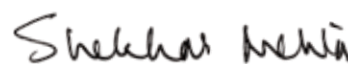

Especially for girls and women, literacy can be a life-or-death issue. If all girls completed their primary education, there would be far fewer maternal deaths. And a child is more likely to survive past age 5 if he or she is born to a mother who can read. Improving outcomes for more people worldwide is possible only if countries remove barriers to education for girls. The economic argument for doing so is clear: In some countries where schooling is geared toward boys, the cost of missed economic opportunity is more than \$1 billion per year.

Empowering people through education is among the boldest goals we have as Rotarians. We don't have to travel far from our homes to encounter those whose lives are being curtailed because they struggle with reading, rely on others to read for them, or cannot write anything more than their own name.

Starting this month, consider how your club can *Serve to Change Lives* through literacy: Support local organizations that offer free programs to support adult literacy or local language learning, or that provide teachers with professional development centered around reading and writing. Become literacy mentors, or work with an organization like the Global Partnership for Education to increase learning opportunities for children around the world. Have conversations with local schools and libraries to see how your club can support their existing programs or help create needed ones in your community.

In India, the TEACH program, a successful collaboration between the country's Rotary clubs and its government, has demonstrated how to scale up literacy efforts to reach millions of children. And at a time when schools across India were closed due to the COVID-19 pandemic, the program's e-learning component reached more than 100 million children through national television.

Literacy is the first step out of poverty. As Nobel laureate Malala Yousafzai has noted, "One child, one teacher, one book, and one pen can change the world."

President, Rotary International

# 社长文告

各位亲爱的改变者：我确信各位在以服务改善人生方面都有丰富的经验。各位在他人人生中促成最大改变的方法之一，就是协助他们学会阅读。识字为我们开启世界。它让我们更了解自己社区的生活，并看见其他文化。阅读及写字让人们连结，给我们另一个表达对彼此的爱的方法。

9月是扶轮的基础教育与识字月。在我们追求减少贫穷、改善健康、促进和平的过程中，提升识字能力是很关键的。事实上，如果低收入所有学生离开学校时都具备基本阅读技能，便可促成全球贫穷率大幅下降。

没有教育，不识字的孩子会成为不识字的成人。今天，全球成年人口中有14%—7亿6,200万人——缺乏基础阅读及写字能力。这群人中有三分之二是女性。识字及算术能力攸关人一生中能否取得更好的房子、医疗保健，及工作。

尤其是对女孩及女性来说，识字可能会是攸关生死的事。如果所有的女孩都能完成基础教育，产妇死亡的人数必然大幅下降。婴儿的母亲如果识字，那他就比较可能存活超过5岁。要改善全球各地人们的收入，国家就要先移除女孩受教育的障碍。这么做的经济理由很明显：在一些学校教育为男孩专属的国家，错失的经济机会的成本每年超过10亿美元。

透过教育来为人们增能是我们作为扶轮社员最大的目标之一。我们很容易在生活周

遭看到那些因为阅读有困难、依赖他人替他们阅读、或是除了自己姓名外不会写字的人，他们的生活因此受到多大的限制。

从这个月开始，思考贵社要如何透过识字以服务改善人生：支持提供免费课程支持成人识字或学习当地语言的地方组织，或是提供教师以阅读及写字为重点的专业发展训练。成为识字辅导员，或是与「全球教育夥伴」(Global Partnership for Education)合作来增加世界各地儿童的学习机会。与当地学校及图书馆商谈，看看贵社要如何支持它们现有的计划或是协助在社区创办必要的计划。

在印度，扶轮社与政府成功推动的TEACH计划，已经证明如何扩大识字工作来接触数百万名儿童。在印度各地学校因新冠疫情而关闭之际，该计划的网路学习透过全国电视网接触到超过1亿名儿童。

识字是摆脱贫穷的第一步。就像诺贝尔奖得主马拉拉所说的：「一个孩子，一位老师，一本书，还有一支笔就能改变世界。」

 Past District Governor  
 District 3400 RY1997/98

Natalia Soebagjo joined Rotary in 1989 and became the first woman District Governor of RID 3400 in 1997/98. She has since held various Presidential appointments, among others the Women in Rotary Committee, Asian Affairs Committee, Membership Development & Retention Committee, TRF APF Strategic Advisor and RI Representative to D-3080 and D-3810. She has served on the RI Strategic Planning Committee since 2016, chairing the committee in the last year of her term in 2020/2021.

In her non-Rotary life, Natalia currently sits on the International Council of Transparency International and was Chair of the Executive Board of the Indonesian chapter until 2017. She was a member of the Independent Team for National Bureaucracy Reform and member of the Oversight Committee of the Kalibaru Port Project and currently is a member of the National Committee of Governance Policy. Professionally, she has worked in the securities and financial industry, as well as in consultancy and the media. Currently, she is an Independent Commissioner of PT AIG Insurance Indonesia and also Independent Commissioner of the listed company, PT Hero Indonesia Tbk.

**Rotary GEM** continues on September 27th, 2021 as we listened to our GEM, Past District Governor Natalia Soebagjo in Series #2. She spoke about the steps involved in crafting Rotary's Vision Statement and the Rotary Strategic Priorities (also known as The Rotary Action Plans) which had been rolled out since 2019.

The RI Strategic Planning Committee scope of works were determined by the board of Rotary International because the latter acknowledged the fact that the end of Polio is coming; we need to prepare for Rotary post Polio and we need a vision and a clear path.

PDG Natalia also informed all participants that the terms of reference for the RI Strategic Planning Committee are to:

- develops, recommends, and updates a strategic plan for consideration by the Board and Trustees
- Surveys Rotarians at least every three years to review and make recommendations pertaining to the strategic plan
- Other duties as assigned

The committee was also binded by its ground rules:

- Be bold and candid, speak your mind openly and honestly
- Brainstorm without fear
- Be non-defensive
- Everyone must participate
- Listen carefully with an open mind, do not interrupt
- Be prepared to get out of your comfort zone
- Be willing to understand and commit, not agree
- Stay on topic
- Focus on what and why, not how
- Come to terms with the importance of this once-in-a-lifetime moment in Rotary's history

The objectives of the virtual session was to help Rotarians understand the Rotary Vision Statement and Action Plan more effectively because the latter represents the ultimate foundation in everything that we do.

We are grateful to Past District Governor Haji Andre Suharto for inviting our GEM, the first lady District Governor in District 3400, to speak in our district. There was a total of 149 participants from 20 districts across 14 countries. We thank Rotarians for your presence and participation!

**Rotary GEM #3 will be held on October 25th, 2021 (Monday), at 8pm-9pm Singapore/Malaysia/Brunei. Save the date, and stay tuned for the person who will be the next featured GEM!**

# WHAT'S IN A LOGO?

The Rotary Club of Luyang was chartered in 1997 and just like all other Rotary Clubs around the world, the charter members came up with a club logo that took its design cues from Rotary International logo while at the same time incorporated local elements for a unique identity that set it apart from other Clubs. Over the span of 17 years, members of the Club used the logo extensively as an essential part of our public image and was always present in one form or another wherever we go and carry out our activities.

Rotary  
 Club of Luyang
 

There were various printed material, all kinds of banners, stickers, casual shirts, jackets, activity t-shirts, vests, and one that remained my favourite – a set of cufflinks that 2012-2013 Club President Halim Egoh commissioned for all members.

Naturally the Luyang Rotarians grew to love and strongly identify themselves with the logo alongside the old Rotary International logo. The community that we served recognise it wherever they see it, and it was really heart-warming to hear very positive comments from people whenever the logo appear in public as they have come to associate it with a group of kind-hearted leaders within their own communities.

Another interesting and very noticeable observation back then was how all logos of Rotary Clubs naturally tend to represent something about the Clubs' background, whether geographical, culture, industry and even aspirations of that particular group of Rotarians or community. Many times one only need to glance at a particular logo to already know something about the Club and where it's located (maps as part of a logo), or the kind of industry prevalent in that community, etc. Exchanging bannerettes when visiting each other was very much a tradition for many Rotarians, and these collection of bannerettes often get turned into a bigger banner, a tapestry of goodwill from around the globe proudly adorning many a meeting room where community needs are being discussed, and solutions debated, among the many things that we do.

When the rebranding exercise of Rotary International came about in 2014, Rotary Club of Luyang immediately adopted the new Visual Identity guidelines without hesitation. The Club members understood the importance of having a coherent identity for an organisation as large and global as Rotary International. It was an easy undertaking after all, as everything has been laid out clearly and there were ample resources for any Rotarian to refer to and follow.

I was the Club president in 2013-2014 when the rebranding exercise was announced and as the person who was also responsible for our Club's branding at the time, I realised how much the original Club logo has become an integral part of our identity and it will be a very unfortunate to simply discard it completely. This is mainly due to the fact that Club members themselves have always been aware of the importance of a good public image and having a strong presence by having our logo prominently displayed at the right and significant places during most of our activities.

Therefore as I worked on our Club's new identity, I made a personal decision to incorporate the old logo into our updated Club's letterhead design. This was very well received and all successive Presidents adopted the design to this day. While most of the Club's branding use only the current RI identity and guideline, we also try to include the old logo in other applications but only if and when situations provide for it.

There is no doubt that Rotary International's global public image initiative, which brought about the streamlined visual identity for all Rotary Clubs around the world like we see today was certainly a right and necessary move. One can only imagine the plethora of imageries - 34,823 logo variations to be exact in 2014! Or dare I say it... diverse! It must have been quite a confusing time for many non-Rotarians but then again, I do wonder if there is a place, even if only for nostalgic reasons that we ensure these images and what they represent, are not lost and forgotten forever.

**Why empower girls?**

- It makes families healthier.
- Educated girls have better-educated children and earn higher wages, helping get their families out of poverty.
- Women participating in the labor market at the same rate as men would add up to \$28 trillion to the annual global gross domestic product in 2025, shares the World Economic Forum.
- Every girl should be in charge of her own future. We have an obligation to protect girls' rights and promote their well-being.

BAKAT INTERACT 2021

WE'VE GOT SOUL

Bakat Interact (BI) is one of RCKK's flagship project carried out annually since Rotary Year 1983/84. Every year, students from Interact schools around KK will prepare their performances in the form of group dancing and band and singing to compete against each. It's one of the most anticipated annual event for the students as they are able to showcase their talents. Bakat Interact has been a platform for the youths to display their musical finesse and is normally attended by no less than 400 – 500 spectators gathered in convention halls in KK.

Due to the COVID-19 pandemic, BI was disheartenedly called off in 2020. But in 2021, without wanting to let the pandemic strip the students off from the hype and opportunity to be a part of BI, we have decided to hold the first ever BAKAT INTERACT in virtual form, hence the project **BAKAT INTERACT 2021: We've Got Soul**, is conceived and carried through. The theme is based on the musical genre of soul, in which is both technical and has depth in expression that requires participants to display their musical skills and expressiveness.

The event comprises of two main components for the students to take part. Firstly, the competition segment. Divided into solo singing and solo dancing, the participants are required to video record their performances and send it through via email for the judging team to assess and comment. The top 6 of both categories will then be selected to be presented during the actual event day where the video recording comments of judges will also be played subsequently for all spectators to see. Out the top 6 finalists, only the 3 top winners will stand a chance to win the prize money. The 2nd main component is the band music video and dance music videos featuring the representatives from the Interact Schools in KK. These representative's video and audio recorded their designated parts as set by the band and dance directors which is sent to be mixed, mastered, edited and produced into two complete music videos where it created a sense of making music and dancing in unity despite being separated geographically.

Moreover, the event is also filled with special performances by the judges, Rotarians and even the committee members. Graced by the presence of DG Dolly and with special PE James Lee from RC Singapore, the event has recorded a highest attendance of 265 attendees tuning in from Kota Kinabalu, west Malaysia, Tawau and Singapore. There was a total of 49 competition entries spanning across Sabah district.

The atmosphere was Fun, interactive, hyped and entertaining throughout as the students spammed their responses in the chat section, expressing their involvement and excitement. It has been a truly beneficial and fruitful event for not just the Interactors and Rotarians, but also for the friends and family who decided to tune in to support. Impact of Rotary spirit is truly felt.

### 20 SEPTEMBER 2021 – RC KINABALU SUTERA - TALK

The **Rotary Club of Kinabalu Sutera** held an online talk on "**Human Wildlife Conflict**" on 20 September 2021. The speaker was Dr Sen Nathan, the Assistant Director of Sabah Wildlife Department, who is a renowned wildlife expert. More than 25 members, Rotarians from other clubs and members of the public attended the talk.

The theme of Dr Sen's talk was centred around the loss of wildlife habitat, brought about by human activities, threatening the continued survival of Sabah's wildlife in particular the elephants, orangutans, proboscis monkeys, tembadau (wild cattle) and anteaters. The last Sumatran rhino in Sabah died in 2019, spelling the extinction of the animal in Sabah's jungle and zoo. It was interesting to note that tigers once roamed the jungle of Sabah 20,000 years ago before it became extinct.

Dr Sen's talk created awareness of the conflict between human and wildlife, urging us to play our part in ensuring Sabah's wildlife continues to thrive amidst human presence.

## About District Rotaract 3310

**District Rotaract 3310 is a collection of Rotaract Clubs in Rotary International District 3310 that spans across Johor, Melaka, Sabah, Singapore & Sarawak.**

In Rotaract, we bring together people ages 18 years and older with Rotarians to

1. Exchange ideas with leaders in Community
2. Develop Leadership & Professional Skills
3. Have Fun through Service

Our Rotaract clubs are either community or institutional based for young men and women.

All our Rotaract efforts begin at the local, grassroots level, with members addressing their communities' physical and social needs while promoting international understanding and peace through a framework of friendship and service.

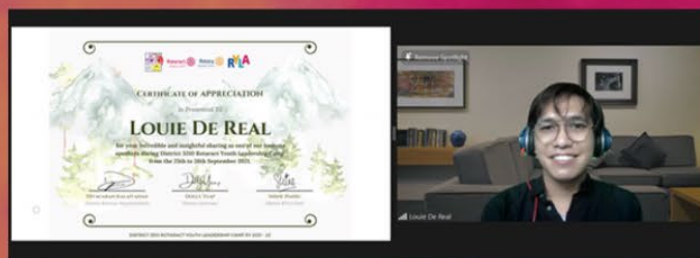

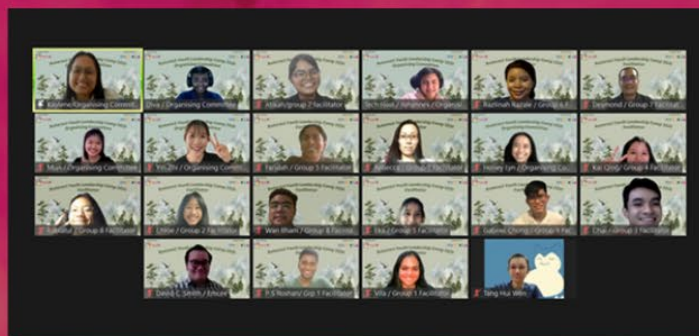

This year, the **District Rotaract Committee** consists of **22 Members, consisting of 7 Rotarians and 15 fantastic young Rotaractors**, putting in their full commitment in organising and developing various events for all 30 active clubs in our District. To meet the committee, click on the link below here!

This year, some of our District Rotaract Representative, Divagarar, goals for the year are to, **bridge the gap between Rotaract and Rotary**. With the new Elevate Rotaract Policy Changes that is going to take effect in July 2022, He plans to visit each Rotaract Club physically, if not online, to help their clubs to adapt to these new changes and let them in with the new benefits and accessibility they get from these new changes. He will also use the time visiting their club to understand their club better and see where both District and the club can value add as well.

**Leadership succession and continuity** is another priority this year for DRR Diva to allow a fruitful and smooth handover between the District Team leaders to ensure the continual development and growth of our District, building upon the foundations that each District Team establishes each year. Together with IPDRR Tai Wen, they have created the District Training Leadership Pool in May 2020 and welcomed 24 Rotaractors into this programme. This will allow a smooth transition of leadership and succession while strengthening our District as we progress.

# ROTARACT

## Rotaract Youth Leadership Camp (RYLC)

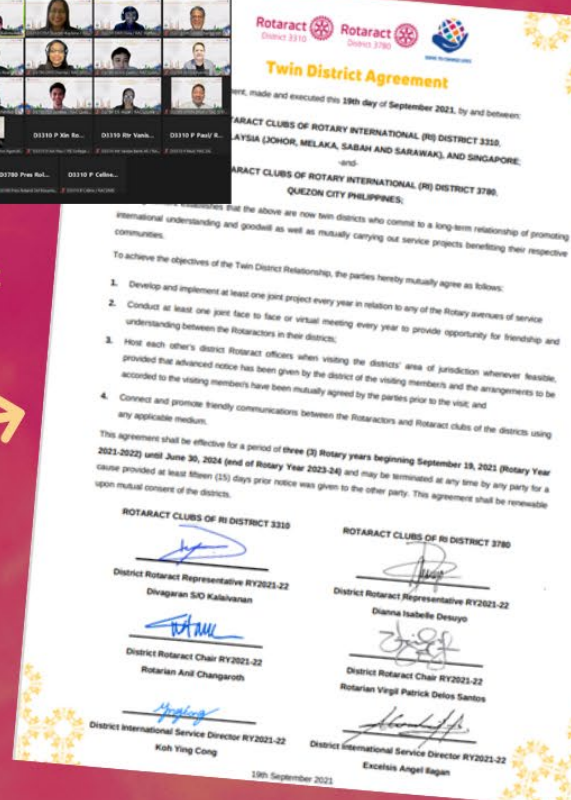

DRR Diva also led in the recent first ever **District Rotaract Youth Leadership Camp** held from the 25th to 26th September where we welcomed 120 Rotaractors from the clubs with the goal to empower the youthful adult with the basic skills to guide them on how to lead, organise and run their clubs, and plan and carry out service projects; and build on self-esteem, confidence, motivation, to lead and guide or direct others on a course of action, influence the opinions and behaviours within their clubs. From fellowship and bonding sessions to project planning and managing a team effectively, the camp was a success with 100% of the feedback responses satisfied with our programme for them.

Our District Rotaract Committee has also signed a **Twin District Agreement with District 3780 Quezon City, Philippines** on 19th September 2021, to commit to a long-term relationship of promoting international understanding and goodwill as well as mutually carrying out service projects benefitting their respective communities.

These are some of our exciting events that the District Rotaract committee has planned and do follow us on Facebook and Instagram to look out for our exciting upcoming events!
