My dear fellow Rotarians and friends of Rotary,

I must share the blessing I have received of being able to visit Sarawak and take part in several events in December. In this pandemic world of ours, I am grateful to all Rotarians, family members and friends of Rotary for making my trip such an exciting, enjoyable and memorable one. The Land Below the Wind and Land of the Hornbills, every Rotarian should experience the hospitality, beauty and charm of these two States of Malaysia.

Being a Malaysian and a Rotarian, thank you to our great organisation Rotary for giving me the opportunity to know my country so well and my fellow Rotarians better.

Under the circumstances, as your District Governor, I consider myself blessed for having the experience of meeting you both virtually and physically. I was able to relate and share my feelings to all of you and what I like most was able to handover my gifts to you in person. Thank you for your thoughtfulness in giving me gifts too. Taking photos together making it memorable and the smiles from your heart make me feel so welcome.

All my schedules for both places were perfectly planned and carried out by my Assistant Governors of the respective region which included morning walks, view of the mountain I must climb, breakfasts, meetings, projects launching and publicity, sunset view and time allowed for fellowship.

Both the trips are still fresh in my mind and heart. It will remain with me for a long time and I shall share it along the way. Thank you AG Fabian Ling for flying all the way from Sibu to Bintulu to join me in the club visits. Such own initiative an act of service above self, indeed touches my heart.

As of this moment, I have visited all regions in Sabah, Sarawak and parts of Johor & Malacca. As for Singapore, I have met all my Presidents, Assistant Governors, District Chairmen and advisors there before I left for Malaysia in April. It was a wonderful evening of introducing everyone and great fellowship at the Orchard Hotel. As for Brunei Darulsalam, I will be there once their border is opened.

Please join me in congratulating PDG Chew Ghim Bok on his election as the Rotary International Director-Nominee for zone 10C and to PP Dr. Yap Lip Kee on his election as the District Governor-nominee Designate. We wish them both every success in their endeavors as they serve to change lives.

I am pleased to see a steady increased in membership in our District. Well done Rotary clubs and thank you to PP Foo Kok Hing for keeping us updated on the latest developments.

The bicycles for rural schools project in Sabah is ready and delivery will be done once schools reopen there. Well done and thank you to the host club RC Likas Bay and all participating clubs in Sabah and to RC of Sentosa and RC Raffles City of Singapore for their kind generosity. Thank you District Community Service Chair PP Datuk Tarsiah for coordinating the project.

We are also ready to showcase projects relating to Empowering Girls and announcements on this will be made soon.

Vocational Service Chair CP Tengku reported on the progress of the Pride of Workmanship Award, a joint project with District 3300. I urge all clubs in Malaysia to participate in this project as our appreciation to our police force.

I am pleased to report too that the other District committees have also been busy. The Environment committee has been organising series of environmental webinars and latest was on Mount Kinabalu presented by PP Dr. Ravi Mandalam. The Rotaractors too have carried out their programs.

In addition, I was engaged with several projects such as the Kulai Environmental Conservation Walk hosted by RC Kulai, Fund raising evening by RC Batu Pahat, Witnessed the handover of Donations from Lee Foundation to RC Kulai Foundation and attended the gifts to the needy in conjunction with Christmas by RC Johor Bahru. Congratulations to all Rotary clubs and thank you for inviting me.

As for our COVID-19 Response Fund, the first round funding has closed at the end of November. A total of approximately RM330K grants were given to 24 Rotary and 3 Rotaractor clubs. The second round of funding we hope to commence in January, 2022. One of the women empowerment projects was the Bake for a Cause project for single mums. Congratulations to RC Johor Strait View and RC Bugis Junction for this joint project partly funded by the COVID-19 Response Fund.

Please take advantage of this available fund for your community in needs.

I am pleased to announce successful sales of the bomber jackets and wrist watches. We are almost 99% sold out for the wrist watches and 80% sold out for the bomber jackets. My heartfelt appreciation to all the buyers and contributors to PolioPlus. I cannot thank all of you enough for being so supportive and I thank you from the bottom of my heart. I wish to tell you that I definitely cannot do it alone. Special and big thank you to Rotarian Jun Poh from RC Kulai for his support and arrangements to deliver the wrist watches and bomber jackets.

Thank you to PDG Andre Suharto for organizing the EPN golf and hole-in-one prizes to be won. Appreciate the support from RC Kuching Central members and Rotarians from District 3300 and within our own District who flew in to play a game of golf in Kuching.

I have seen much improvements in the use of the correct logo by the clubs. Well done and thank you to Public Image District Chair, Jimmy Leong and his team. I wish you and your team every success in enhancing our public image. I look forward to the submission of the People of Action poster competition.

Thank you to all the clubs in Sabah for giving me the opportunity to sing the End Polio Now song as solo singer and another singing as a team of District 3310.

I look forward to returning to Singapore soon as I cannot wait to meet and rekindle our friendship and fellowship. At the moment, lets us celebrate virtually to lessen the spread of the pandemic which hopefully will end soon.

Till we meet again, take care.

亲爱的扶轮社友和扶轮之友

能够顺利在12月访问沙劳越州并参加一些活动，我要与你分享这一份天赐的祝福。全球大流行期间，感谢所有扶轮社友、扶轮家庭成员和朋友，使得我有一个令人兴奋、愉快和难忘的旅程。每一位扶轮社友都应该来体验马来西亚“风下之地”和“犀鸟之家”这两个州的魅力，美丽的风景及殷勤好客的东道主。

身为马来西亚公民和扶轮社员，感谢宏大的扶轮组织，让我有机会更好地去了解我的国家和扶轮社友同胞。

在这种情况下，作为地区总监的我，很荣幸有机会与你们作实体或虚拟会议。与你们叙述及分享我的感受，最棒的是把礼物亲手交给你们。也感谢你们的贴心及礼物。大家一起大合照让我难忘，发自内心的微笑也让我感受到你们迎宾的热情。

访问这两个州的所有日程安排都是由助理区总监们精心安排和进行的，其中包括在早晨散步、远望我须攀登的山景、早餐、会议、服务项目的启动和宣传、日落景观和联谊快乐时间。

两次的旅程在我心中和脑海里历历在目。在很长的时间里我将与你分享这段回忆。感谢AG Fabian Ling从（Sibu）诗巫飞往（Bintulu）民都鲁参与公式访问。这自主的超我服务行动，确实触动了我的心。

截至目前为止，我已经访问了沙巴、沙劳越及柔佛和马六甲一部分的地区。至于新加坡，今年4月前往马来西亚之前，我已在新加坡跟所有的社长、助理区总监、地区主委和顾问见过面。大家在乌节酒店互相自我介绍及联谊，是个令人愉快的夜晚。至于文莱，我已计划将来在边界开放时前往。

我们祝贺PDG Chew Ghim Bok 周锦木前区总监在10C地带选举中当选国际扶轮理事提名人，也祝贺PP Yap Lip Kee 前社长叶立基医生当选为3310地区总监提名人。祝愿他们在改变民生的努力取得巨大成功。

很高兴看到地区的社员人数稳步增加。扶轮社工作做得好，同时也感谢PP Foo Kok Hing符帼倣前社长提供社员增长的最新动态

沙巴州农村学校的自行车项目已经准备就绪，学校重新开放后就可以配送。感谢主办方RC Likas Bay和沙巴州所有参与的扶轮社，新加坡圣淘沙扶轮社和新加坡莱佛士城扶轮社的赞助。感谢地区社区服务主委PP Datuk Tarsiah协调该项目。扶轮社友干得好！

展示与赋予女孩权力有关的项目在准备中，并将很快就此发布公告。

职业服务主委CP Tengku东姑创社社长汇报了技艺荣誉奖的进展情况，这是一个与3300地区联办的项目。促请马来西亚所有的扶轮社参与这项目，对我们的警察部队表示感谢。

同时很高兴向各位汇报，其他的地区委员会也十分忙碌。环境委员会组织一系列有关环境的网络研讨会，最近的一次是由PP Ravi Mandalam医生讲述Mt. Kinabalu 神山的环境情况，扶青社友也在进行同样的研讨会。

此外，我也参与一些项目，例如由RC Kulai古来扶轮社主办的古来保护环境徒步活动，巴株巴辖扶轮社的募款活动，见证了古来基金会接受李氏基金会的捐赠仪式，并参与新山扶轮社在圣诞节期间分发礼物给穷困家庭的服务项目。我向所有扶轮社致以热烈的祝贺，并感谢你们邀请我参与贵社的活动。

至于我们的COVID-19响应基金，第一轮募款在十一月底截止。总共向24个扶轮社和3个扶青社拨款大约RM.330,000 三十三万令吉，也希望在2022年1月展开第二轮募款。妇女赋权计划其中一项是为单身母亲举办的“烘烤事业”。祝贺RC Johor Straits View和 RC Bugis Junction联办这项目，这项计划部分的经费来自COVID-19响应基金

我呼吁扶轮社尽量利用这笔响应基金来满足您社区服务的需求。

很高兴地宣布飞行员夹克和手表的销售取得成功。99%的手表已卖出，飞行员夹克也卖出八成。衷心感谢所有购买的人士及小儿麻痹的捐赠者。对你们的支持我心底里感激不尽，没有你们的支持，我不会成功。特别感谢RC Kulai古来扶轮社友Jun Poh的支持，不遗余力地安排交付手表和飞行员夹克予扶轮社友。

感谢PDG Andre Suharto安德烈·苏哈托前区总监，组织EPN小儿麻痹高尔夫球赛和提供“一杆进洞”奖。感谢RC Kuching Central古晋中区扶轮社社友，和来自3300地区及本地区其他扶轮社社友从各地飞来古晋参与高尔夫球赛。

注意到扶轮社在使用正确的扶轮标志方面有很大的改善。感谢公共形象区主委 PP Jimmy Leong 梁伟光前社长和其团队。祝愿你和队友在提升扶轮的公众形象方面取得圆满成功。我也期待有关提交《采取行动的人》海报竞赛的详情

感谢沙巴州所有的扶轮社给我一个机会，让我以独唱歌手来演唱《根除小儿麻痹》这首歌，并参与演唱3310区的另一首歌。

期待尽早回到新加坡，因为我迫不及待地想与大家见面，重温友情及联谊时光。现在，让我们轻松地以虚拟方式庆祝一下，期望减少大流行的传播及疫情早日结束

下次见面之前，请多保重。

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST: The development of acquaintance as an opportunity for service;

SECOND: High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD: The application of the ideal of service in each Rotarian's personal, business, and community life;

FOURTH: The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

THE FOUR-WAY TEST

The Four-Way Test is a nonpartisan and nonsectarian ethical guide for Rotarians to use for their personal and professional relationships. The test has been translated into more than 100 languages, and Rotarians recite it at club meetings:

Of the things we think, say or do

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

PRESIDENT'S MESSAGE

GREETINGS, DEAR CHANGEMAKERS OF ROTARY,

Public health is on everyone's mind due to the global pandemic that still threatens the safety of ourselves and our loved ones. In a sense, COVID-19 has made all of us much more aware of the roles and responsibilities of medical professionals than we were before we had to wear masks and maintain social distance. In addition, while moving through this pandemic, we have also learned about the role we can play in keeping others safe.

December is Disease Prevention and Treatment Month in Rotary. The pandemic unfortunately has schooled most people on the toll that disease takes on our communities. But fighting disease is something that Rotarians around the world have been doing for decades. In fact, it is one of Rotary's seven areas of focus.

As Rotarians, we believe that good health and well-being is a human right — even though 400 million people across the globe do not have access to essential health services. The work we do in establishing clinics, eye hospitals, and blood banks, as well as in building infrastructure for medical facilities in underserved communities, all returns to a central belief that access, prevention, and education are the keys to stopping deadly outbreaks that harm the most vulnerable.

My exposure to health work began with my Rotary club, Calcutta-Mahanagar. There, among other things, I helped pioneer a program called Saving Little Hearts that over the years has provided more than 2,500 free heart surgeries for children from India, Pakistan, Bangladesh, Nepal, and Africa. Before the program went international, it started locally with the goal of perform-

ing just six surgeries within our community. Today, our goal is to complete another 20,000 surgeries over the next five years.

The world relies on Rotary to tackle challenges like these and to set an example for others. Over the past decade, medical professionals and government workers have provided free health services to 2.5 million people in 10 countries during Family Health Days, which are organized by Rotarians around the world. Similar health camps in India also provide thousands of surgeries to those in need. Medical missions from India to Africa each year are an excellent example of hands-on service in disease prevention and treatment. Rotary members can also get involved at a local level; clubs in the United States and Mexico, for example, fund a free health clinic in Guerrero, a small town in Mexico.

And of course, our effort to eradicate polio is by far the best story in civil-society health care.

This month, think about how your club can focus on preventing and fighting disease. This is the time to take a bigger, better, bolder approach through both club and district projects that can impact more people. Re-evaluate where you are with your goals. Create strategies that can sustain change over years, not months.

Everyone deserves a long, healthy life. When you *Serve to Change Lives*, your actions today can help extend the lives of others.

社長文告

Sephi Bergerson

各位親愛的改變者：

由於目前全球疫情仍威脅我們及我們關愛的人之安全，公共衛生成為眾人關注的焦點。就某種意義上來說，新冠疫情讓我們比在必須戴口罩及保持社交距離之前，更深刻意識到醫療專業人員的角色及責任。此外，在渡過這場疫情的同時，我們也必須瞭解我們在保持他人安全所扮演的角色。

12月是扶輪的疾病預防與治療月。這次的全球疫情讓大多數人深刻瞭解到疾病對我們社區所造成的嚴重傷害。可是對抗疾病是扶輪社員數十年來都在做的事。事實上，它是扶輪的七大焦點領域之一。

身為扶輪社員，我們相信健康及幸福是人類的基本權利——即使全球各地4,000萬人無法取得基本醫療服務。我們開設診所、眼科醫院，及捐血庫，並為醫療資源不足之社區的醫療設施打造基礎建設，這些工作都回歸到一個中心理念——要遏止致命疫情傷害最容易受傷的人，取得服務、預防，及教育乃是主要關鍵。

我接觸醫療工作是從我的扶輪社——加爾各答-馬哈納哥 (Calcutta-Mahanagar) 扶輪社開始。在那裡，我的工作之一是協助開辦一項叫做「拯救小小心臟」(Saving Little Hearts) 的計畫。這些年來該計畫已經提供超過2,500次的免費心臟手術給來自印度、巴基斯坦、孟加拉、尼泊爾，及非洲的兒童。在該計畫擴大至國際之前，它是從

地方開始，目標只是提供6項手術給社區。今天，我們的目標是在接下來5年之內再完成2萬次手術。

世界仰賴扶輪來面對像這樣的挑戰，並為他人樹立典範。過去10年來，在扶輪於世界各地主辦的家庭健康日中，醫療專業人員及政府提供免費的醫療服務給10個國家的250萬人。印度類似的保健營也提供數千次手術給貧苦者。印度每年的非洲醫療團就是透過親手服務來預防及治療疾病的絕佳範例。扶輪社員也參與地方層次的服務；舉例來說，美國及墨西哥的扶輪社資助墨西哥小鎮奎瑞羅 (Querero) 的免費健康診所。

當然，我們根除小兒麻痺的努力顯然是民間社會推動醫療保健的佳話。

這個月，請思考貴社要如何著重預防及對抗疾病。這個時機正適合採取更大、更好、更大膽的策略，透過扶輪社及地區的計畫來影響更多人。訂定可以讓改變維持很多年——而非幾個月——的策略。

每個人都值得長壽、健康的人生。當你以服務改善人生，你今日的行動便可以協助延長他人的生命。

Rotary Club of Bandar Penggaram Mandarin 石城華揚扶輪社 Batu Pahat

December 30th, 2021

Before we end the year 2021, Rotary Club of Bandar Penggaram Mandarin 石城華揚扶輪社 was last club of my DG official visit. This is one of the mandarin clubs in our District and has membership of above 100 members. Congratulations to President Kho Lin Seng, CP Christina Lim and members of Rotary Club of Bandar Penggaram Mandarin(RCBPM) for spreading the good works of Rotary. Eventhough I do not understand much of mandarin but I am aware of their good work in the local community. Thank you to Assistant Governor Mandy Sia who assisted in keeping in touch with the members and keep me posted of the club's projects. It was a fruitful meeting and secretary Rotarian Sim Choon Yong translated my speech to the members. We inducted 6 members and the club has 128 members out of which 12 members are from their satellite club. A Rotary Community Corp (RCC) was established in 28 February 2020, the only one in Johor and Melaka. We had a very good meeting with Shanti A/P Kaniappan, the person heading the RCC and members. I get to understand how it was organised. I look forward to more sustainable projects in the near future. Thank you RCBPM for the gifts, lunch, dinner and kind hospitality accorded to us.

36th Installation & 35th Anniversary of Rotary Club of Kuching Central

The Rotary Club of Kuching Central had its 36th Installation on the 11th of December 2021. Local attendees joined the dinner fellowship and the Zoom broadcast began at 8pm to include guests from all around the world. The achievements of the previous year under the leadership of IPP Wong Chen Yi and the Board of Directors despite a challenging situation due to the pandemic were celebrated in the first half of the event. This was followed by the installation of President Andrea Chan as the 36th president, where she also became the club's first female president. It was a momentous occasion as DG Dolly Yeap as the district's first female District Governor was also on hand as the Guest of Honour. Another highlight was the club's first ever fund-raising auction where various collector's items were auctioned off to raise RM27,000 to provide cataract operations to low-income beneficiaries in rural Sarawak. The event culminated with a simple celebration of the club's 36th Anniversary.

Food parcels for Kampung Ampangan, Serian
December 26th, 2021

Members of the Rotary Club of Kuching Central delivered 56 food parcels to residents of Kampung Ampangan, Serian which is about 60 kilometres outside of Kuching on 26 December 2021. Each parcel contained necessities such as rice, cooking oil, canned goods, biscuits and more, plus face masks. These families were greatly in need of aid as many of them were widows, single parents, as well as those suffering from chronic illness or disabilities. It was a true Family of Rotary activity, as family members turned up to help move the items and paid short visits to the homes to evaluate what other aid could be provided.

Aid for victims of Tembawai Kapok Longhouse fire

The Tembawai Kapok Longhouse at Saratok, Sarawak was razed in a fire recently and the Rotary Club of Kuching Central answered the call for help by providing 50 sets of school bags, stationery, face masks, and sanitisers for the children there. The club worked closely with the Salvation Army to identify items that were still required by the victims and various items were also personally donated by Rotarians and family members. The club also helped to facilitate the donation of a wheelchair that had been requested by one of the disabled victims, courtesy of a generous anonymous donor. Additionally, Kuching Marathon Association also contributed brand new running shirts to be given to the victims. We hope that their homes will be rebuilt soon enough so they may begin the recovery process.

Dear fellow Rotarians,

Christmas is just around the corner if you are thinking of giving here is something that surely is of interest to you and your club.

Thanks to Rotary International, Rotary clubs all over the Rotary world have been able to reach out to millions of people affected by the current pandemic and bring joy to those in need. However, it has not been easy as the prolonged pandemic has made it very challenging for Rotary International to continue providing funding for those sufferings and for funding of its other programs under the areas of focus.

Rotary Fellowship Night

Rotary Club of Muar

December 29th, 2021

An evening with Rotarians of the Rotary Club of Muar and potential members. Thank you for the kind invitation to me to grace the occasion, an evening of excellent fellowship and good food. It is good to see Past District Governor Jayasingam Manickam who was pleased to receive a tie and a district directory from me. He told me that tie from the District Governor is usually given during the Council of Governors meeting but due to the pandemic we are unable to do so.

A very successful and enjoyable evening of fellowship and sharing Rotary with potential members.

Beach Cleanup

ECP Beach Cleanup December 11th, 2021

Changi Beach Cleanup December 18th, 2021

Large trash pileup in beaches is an annual occurrence, as a result of the Southwest monsoon. Trash is washed ashore by the tide during the monsoon season, which lasts from June to September. Trash potentially originates from a variety of sources — offshore platforms like fish farms, passing ships or even neighbouring countries, even littering by visitors. To contribute to a cleaner and greener Singapore, RACSG had organised 2 beach clean-ups during the school holidays. RACSG is privileged to be joined by ClimateScience Singapore and their sister club, Nanyang JC Interact club, on this endeavour. A total of 20 participants and 17 participants joined ECP beach and Changi Beach CleanUps respectively.
