

Governor's **NEWSLETTER**

2021-2022

JUNE 2022 ISSUE 12

Dear family of Rotary,

At 11:59pm and I begin turning the page of my Rotary journey marking the end of our Rotary year and that of my DGship journey too. I am very happy indeed to have served Rotary at the highest level in our District, the highlight of my Rotary journey.

I thank each and everyone of you for the awesome time to serve together in the local and internationally community. We are indeed one big Rotary family that houses anyone who wishes to spend some time of their lives to serve, YES, Serve to Change Lives. Lives of those less fortunate and to make it a difference.

Without you there is no Rotary but with you I have learnt the beauty of service through fellowship and friendship. There was never a dull moment in the 365 days of my governorship. You have all made my Rotary journey very beautiful, meaningful and a wonderful one. If anyone ask me why I am a Rotarian, here is what I would say:

I remain a Rotarian because I enjoy the company of the many new friends that I met in Rotary District 3310 and beyond. I have become part of a giant family instantly around the globe. I am now one of the many who have imbibed the Rotary in my blood.

Here I have found genuine friends whom I would want to keep for the rest of my life. I remain a Rotarian because Rotary makes me more human and more humane. Rotary has helped me to see beyond myself and out into the rest of humanity. It has helped me to reach out of the world and to share myself, my time and my resources. I am empowered to uplift spirits and improve the lot of those who were born with less privileges in life.

I have enjoyed every moment with all of you dear fellow Rotarians. The horizon is wide and with the heart of Rotarians, partners, friends, and family I have seen the passion and they came to join us to be part of this beautiful organization. Without your support either physical or monetary, Rotary will be meaningless as there will be no project, no global grant, no matter how good the plans are. Just like the magic wand it needed concentration and the magic words to make things happen. For us Rotarians, I feel we make things happen to show that we care, our human hearts are so important, the love and how one touches lives to reach out and do more.

My dear fellow Rotarians and Rotaractors. I have so many beautiful moments to share.

I would like to tell you again and again that I have enjoyed my DGship journey very much. Thank you for the many surprises especially with the number of my birthday greetings, wishes and blessings. You have all been very kind to me, paying my hotel bills, making sure I am comfortable, meeting me at the airport and having meals with me, and joining me in the morning walk in Sandakan, Singapore, Johor, Kuching and Brunei. And, many other kind hospitality extended to me everywhere I went. Thank you for the gifts you have prepared for me. I shall cherish each and every one of them. Thank you.

from the desk of the Governor

Rotary

SERVE TO
CHANGE LIVES

JUNE 2022
ISSUE 12

My sincere thanks and appreciation to my family especially to my brother Cheng Huan who has all these years supported me not only in Rotary but in many other things too. To my children, the love of my life, they are so sweet and understanding. With their blessings, understanding and support of my family and my children, I have the peace of mind to dedicate my entire time to my DGship journey as your first woman governor.

I have been asked what will I be doing next, the road of opportunity are many but I have only one wish for now.....pamper myself by taking the backseat. Relax and enjoy the beauty of nature, spending some time with my club and family members.

THANK YOU to the 73 clubs Presidents, 19 AGs, District Committee Chairs, Regional Chairs, Advisors and my entire team for the support and guidance. I am thankful to have all of you and with God's blessings we have done our best to bring our District to greater heights.

It was a privilege serving Rotary with all of you.

Yours truly

Dolly Yeap

GOVERNOR RY2021-22

SERVE TO
CHANGE LIVES

亲爱的扶轮家人，

五月最后一天的半夜里，当我翻开扶轮旅程接下来的一页，意识到扶轮年快要结束，区总监的职位也将期满。扶轮旅程之亮点是我能够在3310区的最高层愉快地工作，为扶轮服务。

感谢你们抽出宝贵的时间在地区和国际社区为民众服务。我们确实生活在一个扶轮大家庭，这里面有乐意腾出时间“以服务改善人生”的成员。让那些不那么幸运的人的生活有所改善。

你们的鼎力支持造就了今天的扶轮，通过友情和团契，我体会到为民服务之美。在365天区总监的任期内，没有一分一刻是枯燥沉闷的。也因为有你，我的扶轮旅程进展得非常顺利、有意义而且精彩。有人问为什么我会成为一名扶轮社员，我认为：

我保持扶轮社员的身份是因为很享受与3310区或其他区域结识的许多新朋友在一起，也使我即刻成为全球扶轮大家庭的成员。许多社友的血脉里已融入“扶轮精神”，我是其中一员。

在扶轮大家庭里，我找到了真正的朋友，希望他们能陪伴我一生。我不会轻易放弃扶轮社员的身份，因为有了扶轮，我处事更加人性化，更有人情味，在人生的道路上不断超越自我。扶轮带我接触外面的世界，我愿意共同分享时间和资源，以奋发图强的精神去改善那些生在贫困家庭里的人的命运。

亲爱的扶轮社友，很享受和你们在一起的每一时刻。扶轮的服务范围广阔，感受到扶轮社员、合作伙伴、朋友和家人由内心释放的一股热情而前来加入这个以服务为重点的组织。没有你在物质或金钱上的支持，即使有更好的计划，服务项目也不会落实，全球奖助金短缺，扶轮将显得毫无意义。像使用魔杖一样，需要集中注意力和用神奇的语言来让事情发生。对扶轮社员来说，不懈努力办事就是表明我们的关心，人心是如此的重要，需要用爱和影响力来伸出援手做更多的好事。

JUNE 2022
ISSUE 12

亲爱的扶轮社和扶青社友们。我有那么多美好的时刻与你们分享。

我想一次又一次地告诉你，非常享受地区总监职位的旅程。感谢你给我带来的惊喜，生日问候语、生日祝愿和祝福。你们慷慨支付酒店账单，确保我的访问行程顺利，到机场接我，一起进餐，在山打根、新加坡、柔佛、古晋和文莱早上一起散步，盛情难却。而且无论我走到哪里，都得到许多社友的热情款待。谢谢你为我准备的礼物。我会珍惜与怀念这段经历。

衷心赞赏和感谢我的家人，尤其是我的兄长清洪，这些年来不仅在扶轮方面，而且在许多其他事情都支持我。至于我的孩子，我生命中的挚爱，他们是如此的甜蜜和善解人意。在家人和孩子们的祝福、理解和支持下，作为你们的第一位女地区总监，我可以安心地将我全部的时间奉献在区总监的工作上。

有人问我接下来要做什么，前面的道路充满机会，但我现在只有一个愿望... 退居二线，宠爱自己一番。同时放松自己去享受大自然之美，多花点时间与我的社友及家人同乐。

感谢地区的73位扶轮社长、19位助理总监、地区委会主委、各区域主委、顾问以及我的整个团队的支持和指导。感谢你们，在上帝的祝福下，我们已尽了最大的努力，把3310地区推向高峰。

能和你们一起为扶轮服务是我的荣幸。

Rotary District 3310 | SERVE TO CHANGE LIVES

**20 June 2022
World Refugee Day**

World Refugee Day 2022's Theme

Whoever they are, people forced to flee should be treated with dignity. Anyone can seek protection, regardless of who they are or what they believe. It is non-negotiable: seeking safety is a human right.

Wherever they come from, people forced to flee should be welcomed. Refugees come from all over the globe. To get out of harm's way, they might take a plane, a boat, or travel on foot. What remains universal is the right to seek safety.

Whenever people are forced to flee, they have a right to be protected. Whatever the threat – war, violence, persecution – everyone deserves protection. Everyone has a right to be safe.

5. When in Nigeria, dress as the Nigerians do.

6. Mehta visits an Empowering Girls project in Nigeria.
7. In Korea, Mehta poses with Rotarian scuba divers who haul debris out of the ocean.
8. While visiting Poland, Mehta consoles a Rotary member from Ukraine as she narrates stories about her war-torn country.
9. Mehta answers questions at a press conference in Nigeria.
10. Mehta meets with President Uhuru Kenyatta of Kenya to discuss various Rotary initiatives, including plans to provide free heart surgeries.

MY DEAR CHANGE-MAKERS,

What a year it has been for Rotary. You have lived up to every challenge, including to grow more, do more, and Rotary has grown in a way that we haven't in many years. This year saw life-changing new projects across all areas of focus, as we took up important work at the highest level — with UNICEF, the Commonwealth, and global leaders. Our efforts opened opportunities to empower girls, improve the environment, and advance literacy and health.

I want to thank each of you for your proactive service. I also want to thank the wonderful Rotary staff for ensuring that we can work with care for our fellow human beings, with peace in our hearts.

Personally, this has been an extremely enriching year for Rashi and me. We've met with thousands of Rotarians and been inspired by their great work around the world. We were also able to showcase Rotary's work at the highest level, meeting with heads of state, leaders, and bureaucrats and offering to work with them to show that Rotary cares and brings peace in this world. With our swan song, Rashi and I wish you the very best as you *Serve to Change Lives*.

Shekhar Mehta
President, Rotary International

親愛的扶輪改變者：

對 扶輪來說，這是多麼棒的一年。

各位迎接每項挑戰，包括更壯大，做更多，扶輪在多年來不曾成長的方面都有進步。這一年看到各焦點領域都有改變生命的新計畫，當我們在最高層級——聯合國兒童基金會、大英國協，及全球領導人——推展重要工作。我們的努力開啟新的機會來賦予女孩能力、改善環境，並促進識字及健康。

我想要感謝各位的前瞻性服務。我也想要感謝優秀的扶輪辦事員確保我們可以為人類同胞努力，心中常懷和平。

就個人層面來看，這一年對我和拉許來說，是收穫滿載的一年。我們會見數千名扶輪社員，他們在世界各地的傑出工作帶給我們啟發。我們也能夠在最高層級展現扶輪的成果，與各國元首、領導人，及官員見面，主動與他們合作來展現扶輪關心，並把和平帶給這個世界。在最後這篇文告，我與拉許誠摯祝福各位在以服務改善人生時順心如意。

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST: The development of acquaintance as an opportunity for service;

SECOND: High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD: The application of the ideal of service in each Rotarian's personal, business, and community life;

FOURTH: The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

THE FOUR-WAY TEST

The Four-Way Test is a nonpartisan and nonsectarian ethical guide for Rotarians to use for their personal and professional relationships. The test has been translated into more than 100 languages, and Rotarians recite it at club meetings:

Of the things we think, say or do

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

District Governor's *My Last Project*

Go With The Flow - Packing & Distribution of Sanitary Pad

My last project with two of my Presidents, Angela Chin of RC Singapore East and Linda Tean RC Tanjong Pagar, and AG Sabrina Schwarz of my District team.

Thank you for inviting me to grace this morning event "GO WITH THE FLOW".

Here is the link to know more

<https://cnalifestyle.channelnewsasia.com/women/period-poverty-singapore-menstruation-go-flow-312051>

Thank you to our partners the FRCS Family Service Centre, Mr. Yeo Chuen Eng FRCS Family Service Centre Chairman (members of RC Singapore West) and staff, the Singapore Cares Volunteers centre and the Rotary Foundation of Singapore for working together with us in this meaningful project.

We started at 9am with speeches followed by the packing. We have a few volunteers with us on line production. I had the opportunity to distribute the packed packages to homes of the needy. It is a very meaningful project. We had a good fellowship too over a sumptuous lunch.

Thank you

My Visit to Brunei Hosted by Rotary Club of Bandar Seri Begawan

Thank you for the kind arrangement Rotary Club of Bandar Seri Begawan. I have the chance to see the tree that we planted to commemorate END POLIO NOW (EPN) tree planting day. Then I was the EPN District Committee Chair, I have been raising fund since 2016 till 2019. And now here I go again. Kindly continue to contribute, the link as provided regardless of the amount "we climb to change lives" Thank you.

Thank you President Muthu Krishnan , Assistant Governor Clement Yong and lovely partner, members and partners of Rotary Club of Bandar Seri Begawan for another wonderful day. Lovely morning scenes, great breakfast, awesome lunch and fellowship tea before I take off. I am waiting here as the weather is quite bad in Kota Kinabalu.

My Last Task as District Governor 30th June 2022

Thank you Master of Ceremony Past President Thomas Tan

Outgoing President Linda Chiang
Incoming President Eugene Yio,
RIDN Chew Ghim Bok and partner Phyllis
PDGs
Incoming Governor
Assistant Governors
Charming Partners
Distinction guests,
Interactors
Teacher Advisor and my
Fellow Rotarians,

I would like to welcome My dearest friend Suat Eng from Penang. We have been friends since 1980 during our university days. I am very touched by her presence this evening.

A very good evening to everyone.

Through your act of kindness where together we serve to change lives and climb to change lives, has allowed me to get to know the many of you in our journey of service together.

It is the time of the year where we revisit and reflect our Rotary journey of the last 12 months and come together to say thank you for all the support given and for the many beautiful (memorable) moments of fellowship and bonding we have had in our journey of service together.

I am very happy to be here tonight with the club that my club RC Kulai (members) and myself have long association and bonding with as Friendship clubs over the years. This is the club that has helped us a lot with our hemodialysis centre. We hold Retreat together

I am very happy to be here tonight with the club that my club RC Kulai (members) and myself have long association and bonding with as Friendship clubs over the years. This is the club that has helped us a lot with our hemodialysis centre. We hold Retreat together, thank you for the End Polio Now Awareness Campaign the, EPN watches, Bomber jackets, EPN RM one dollar note. Just to name a few. There are many here tonight that I would like say thank you. Just to say a few words about my AG Jimmy Cheong and Helen that he is an excellent AG strongly supported by his charming partner Helen.

Thank you for having me tonight as your GOG, which I am truly honoured. Out going President Linda I thank you for taking up the leadership of your club and together we experienced the 1st of Rotary top leadership.

I see that your club has an excellent year under the great leadership of President Linda and her team. Thank you for the strong support rendered to the District in its many activities and projects which I am truly grateful.

Distinguished guests, my fellow Rotarians and Interactors

I must say I have a very meaningful and successful year despite the challenges and uncertainties of the pandemic where we wonder whether we will ever have the chance to meet or not.

I am very lucky to have the opportunity to experience both virtual and physical district governor official visits as well as district and club projects on both platforms especially during the 1st quarter of my governorship.

However, as I always said, nothing can beat physical meeting and I am glad that I am able to do just that in the rest of my term and that makes a great year for me

as I managed to visit clubs and attended events in person both within our district and beyond. In India, I had the chance and the opportunity to visit the global grant clubs project that our clubs participated.

Thank you dear fellow Rotarians for the opportunity to serve at district level. As I mentioned in the Governor's banquet at the Discon recently, writing this sort of speech is not an easy task. There were so many moments of us together and my heart is full of emotion as I recalled those beautiful moments still so fresh in my mind. I hope the whole journey will go on and on but sadly that is not to be the case. The time to say goodbye.

I have enjoyed every moment with all of you dear fellow Rotarians, the horizon is wide and with the heart of Rotarians, their partners, friends, and family I have seen the passion and they came to join us to be part of this beautiful organization. Thank you for without you, the many things we want to do will never materialised.

As we all know Mount Kinabalu is a spiritual mountain. Everything you see is so beautiful that nature gives us as it appeared right in front of us as we climbed. If you love crystal you could see it as you climb, the beauty of nature crystallising in front of you ...the flora and fauna changed at every level of your climb nature appearing differently due to the change in the climate.

I am young at heart and with the strength and the will power I had motivated by desire to raise funds, I was so determined to reach the peak slowly but surely.

It was however not without a lot of sheer determination and encouragements of my guide and fellow climbers. I never thought I would reach the peak of the summit. I stopped and from far I could see the red color bomber jackets of my fellow climbers who one by one had reached the top. I rested at the 8 km marker. The point that I thought I will end my climb but I suddenly got up and started to walk. Rotarians greeted me on the way down, some stop to take pictures, and some waited for me giving encouraging words DG you are so near to the peak, you have reached this far, you can make it. Dr. Ravi Mandalam, who led the climb, never stopped giving me words of encouragement said yes DG you can still do it.

I eventually did it. That climb has motivated Rotarians and friends to contribute generously to Polio Plus. As of today, USD140K has been contributed to Polio Plus with the promise of more in the next few hours.

JUNE 2022
ISSUE 12

I have so many beautiful moments to share.

I would like to tell you that I enjoyed my DGship journey very much. Thank you for making it a pleasant, awesome one and with many surprises for me especially with the number of my birthday greetings, wishes and blessings. You have all been very kind to me, paying my hotel bills, making sure I am comfortable, meeting me at the airport and having meals with me, and joining me in the morning walk in Sandakan, Singapore, Johor, and soon Kuching. I must not forget the home-cooked meals from the lovely home cooked by Rotarians and their spouses., the many other kind hospitality extended to me everywhere I went. Thank you for the gifts you have prepared for me. I shall cherish each and every one of them. Thank you.

To my children, the love of my life, they are so sweet and understanding and I recalled my son gave me his first hug and said I love you mum during my Distas Governor Banquet. To my daughter, who is the pillar of almost everything I do, she always enquire where I am and always concerns about my safety during my travel.

With these blessings, understanding and support of my family and my children, I have the peace of mind to dedicate my entire time to my DGship journey as your first woman governor.

I wish the Incoming Governor Joanne Kam and her entire team all the best and have a successful year ahead.

Once again my fellow Rotarians & Interactors my sincere thanks and appreciation to everyone in my team including all Past District Governors for the cooperation and strong support rendered to me. I truly appreciate the excellent hospitality given to me during my visit to all regions and corners of our District and I hope that I have touched your hearts for the many memorable moments we had together as we fellowship in service to mankind.

And, once again thank you to Members of RC Changi, for having me here tonight. I wish you another great year of service under your Incoming President Eugene Yio and his team.

Have a blessed enjoyable evening everyone.

Thank you.

- Attendance
- Business obligation
- Deceased
- Family obligations
- Health
- Personal
- Join New Club
- Relocation
- Miscellaneous Reasons

Currently, we have 73 clubs. 2 New clubs were formed for this Rotary year.

Well done and Congratulations to 38 clubs with positive growth.

We would like to remind clubs to update their membership before the end of the day on 30th June 2022 for July invoice. Please find the reference guide in English, Chinese and Thai for updating membership on My Rotary. Kindly contact data@rotary.org if clubs have any questions or problems updating membership online.

Best regards,

DISTRICT MEMBERSHIP DEVELOPMENT TEAM

Report of Proceedings 31st District Conference 2022

Dear fellow Rotarians,

According to the RI Bylaws Article 15.040.5, the governor or acting chair along with the secretary, shall prepare a report of the conference proceedings within 30 days after the DISCON and send it to the General Secretary and each Club secretary in the district. The proceeding records are collected by members of our rapporteur team.

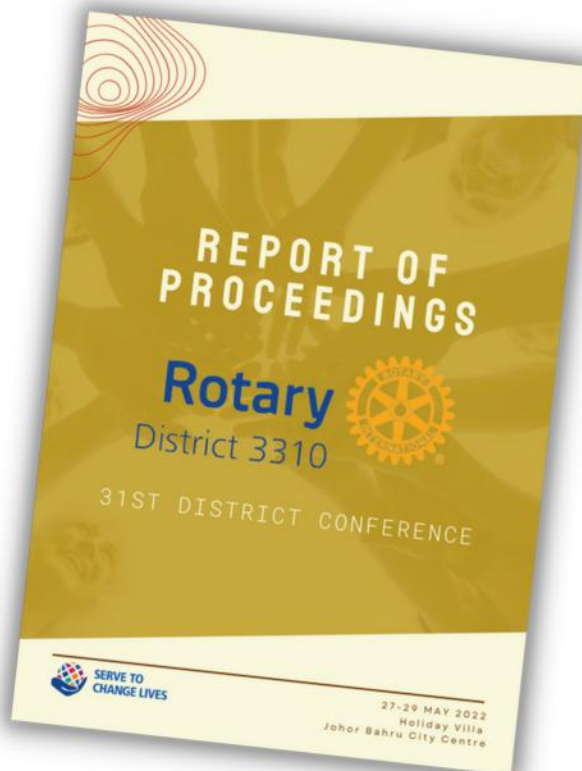

This report of proceedings contain all speakers' presentations made at the conference conducted via the plenary sessions, biodata and pictures of the Speakers, Session Chairs, Moderators, and also messages from the District Governor, Rotary International President's Representative, Council Of Governors' Chairman, Host and Co-host club Presidents and Organising Chairs, as well as listings of all the Rotary International and District awards presented to Clubs, Rotarians and Rotaractors for their achievements in various projects undertaken in this Rotary year.

This report of proceedings provides an opportunity to recall and remind what lessons were learnt at the conference. Furthermore, it will serve as the source of reference for those unable to attend the conference.

I would like to thank DG Dolly Yeap and PDG Datuk Zainie Abdul Aucasa as an advisor for entrusting this task for me which giving me this opportunity to undertake this heavy responsibility.

I'm very blessed to have Rotarian Jeanneettee Hee (Rotary Club of Johor Bahru Sentral), Past President Koo Li Chiat (Rotary Club of Johor Bahru Sentral), Past President Lee Chin Guan (Rotary Club of Puteri Lagoon), Ms. Evelyn Yap (District 3310 Secretariat) and my personal assistant Ms. Hailey Hew for assisting me to make this report of proceedings successful.

It is my pleasure to wish you all a great time celebrating Rotary with your fellow Rotarians and friends of Rotary throughout the world.

DG's Visit to The Rotary Club Suntec City, Singapore

On 20 June 2022, DG Dolly Yeap visited the Rotary Club of Suntec City at the NUSS Suntec City Guild House. AG Adrian Jefferson accompanied her on the visit.

President Janice Goh delivered the Club Report highlighting the achievements made for the year. With a Club membership base of 35, we took a strategic stance in fulfilling Rotary's areas of focus whilst providing volunteering and leadership opportunities. Notably we achieved a record of 12 community projects covering disaster response, improving literacy, developing youth, empowering women, celebrating healthcare workers and distributing groceries to the needy. These projects spanned District 3310, across to other Districts in Malaysia, Myanmar and South Africa.

Our sponsored Rotaract Club of North West led by President Kush Madia was present and he spoke of his Club's projects benefiting the needy and foreign workers. Sustainability was a main feature of their projects.

DG Dolly shared her experience as District Governor in leading the District for the year. She shared a video clip of the preparations she and her team made to climb Mount Kinabalu. Her actual climb was arduous and we felt the intensity of emotions besides physical fatigue.

DG Dolly had a remarkable year topped by the climb up Mount Kinabalu to raise a target of US\$100,000 for the End Polio campaign. We are all inspired by her zeal and courage to lead. True to this Rotary year's theme, DG Dolly has Served to Change Lives.

District 3310 COVID-19 Response Task Force

On August 26, 2021, DG Dolly Yeap appointed PP Ng Yaw Hua to set up a Task Force to raise funds and to coordinate and leverage District 3310 Rotary and Rotaract Clubs' efforts to assist their respective communities in the face of continuing widespread adverse humanitarian effects of the Covid-19 Pandemic. The Task Force was formed with the following 9 members.

Convenor	DG Dolly Yeap
Advisor	PDG Datuk Zainie Abdul Aucasa
Head	PP Ng Yaw Hua
Treasurer	AG James Te
Fund Raising	PP Roger Ng
Fund Raising	PP Mark Wang
Rotary Foundation	DRFC PP Dr Shahul Hameed
Disaster Relief Comm	Chair DGN Dr John Chan
Community Service Comm	Chair PP Datuk Dr Hjh Tarsiah Hj Taman

A total of RM328,100 was raised to fund the COVID-19 Program of which

D3310 Clubs	RM140,100 (43%)
Individual Rotarians	RM63,500 (19%)
Other District Clubs	RM74,500 (23%)
D3310 Berhad	RM 50,000 (15%)

Guidelines and SOP were speedily established with the aim of encouraging D3310 Rotary & Rotaract clubs to undertake projects with these funds through ease of application, speedy approval and disbursement of grant funds.

In PHASE 1, each Club was entitled to apply for a maximum of RM5,000 grant with 60% matching from Clubs' own funds to complement their intended Covid-19 projects; subject to a set of terms and conditions. Grant applications must be received by November 30, 2021 and projects must be completed within 2 months of receipt of grant funds. Total grants of RM133,200 were disbursed under 1st phase

To encourage clubs to further undertake COVID-19 response projects, PHASE 2 was initiated on January 5, 2022. The club's mandatory fund matching was reduced from 60% to 20% of grant amount while all other terms and conditions remain the same. RM105,000 grants funds were disbursed under 2nd phase.

The remaining balance of RM90,400 in our Grants Fund was offered from May 1, 2022 under PHASE 3 by increasing grant per project to RM8,000 with a 25% club funds matching. The Program was closed on May 28, 2022 when all grant funds were disbursed.

Summary of the various Phases

	TOTAL	Phase 3	Phase 2	Phase 1
Grants Disbursed	RM326,200	RM88,000	RM105,000	RM133,200
Project Value	RM525,900	RM111,500	RM155,500	RM258,900
No. of Projects	50	9	18	23
No. of Rotary Clubs	56	13	19	24
No. of Rotaract Clubs	5	0	2	3
Singapore Clubs	6	0	1	5
Brunei Clubs	1	0	0	1
Malaysian Clubs	49	13	18	18

The project beneficiaries were :

single mums and young children	13	1	5	7
for schools & their students	11	1	5	5
food aid to B40 households	13	2	5	6
Sanitizers/test kits to schools/institutions	13	5	3	5
TOTAL :	50	9	18	23

We thank all participating clubs for your efforts to improve the lives of our less fortunate in our Community and making the World a better place. And also our utmost appreciation to the donors for your generosity, without which all this would not have been possible.

Past President Ng Yaw Hua
Head, COVID-19 Program 2021-2022 Task Force

A total of RM328,100 was raised to buy the laptops for under privilege COVID-19 Program of which students

RC Luyang – Press coverage

RC Kluang – School uniforms for B40 HH students

RC Johor Straits View – Baking equipment for single mums

RC Johor Bahru – food parcels to single mums

RC Mersing – food vouchers for B40 HH students

RC Pontan – School uniforms and stationaries
to B40 HH students

e-RYLA Hosted by RC Muar

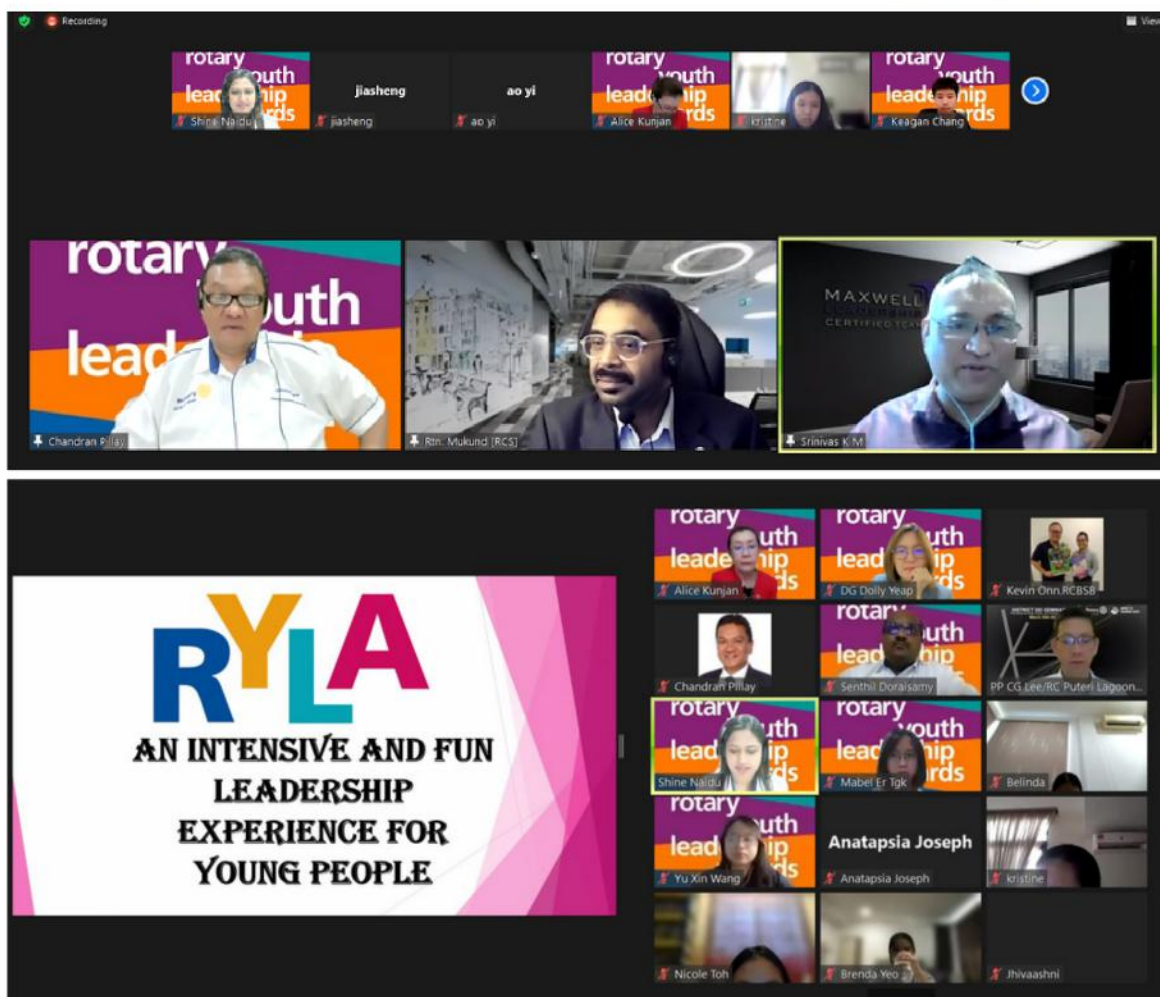

Let me take this opportunity to give thanks to all Rotary, Rotaract, Interact Clubs, Rotarians, and Friends of Rotary for your valuable support for the e-RYLA 2022. We had 190 registration with a peak attendance of 98.

Our Youth is important to our Community. They are our next generation Leaders and the future depends on them. Let's continue to "Serve to Change Lives" in nurturing our future leaders of the world and I am confident the impact we leave on the Rylarians will be felt positively for years to come!

We had very good and knowledgeable speakers covering such topics as Public Speaking, Leadership, Art of Communication, and Proper Use of Medication.

I would like to thank District Governor Dolly Yeap and my District RYLA Committee PP Alice Kunjan, PP Dr Senthil Doraisamy, PP Helen Tang, and our Tech support PP Clarence Yong for all their hard work in making e-RYLA 2022 a resounding success.

I urge all clubs to actively support the activities of RYLA.

Polio Outbreak in Sabah Malaysia

In recognition of Rotary's involvement and contributions towards the Polio Vaccination Operations carried out few months before the pandemic 2020, Rotary International was recognized by the Ministry of Health Malaysia in a grand function held recently in conjunction with the launch of the National Immunization Week.

Rotary was represented by PE Dr. Jason Ong of the Rotary Club of Tawau Tanjung.

District Community Service Hosted by Rotary Club of Kota Kinabalu South

On 6 June, 2022, the District Community Service held a symbolic handing over of fabric face masks to 4 secondary schools in Tamparuli, Sabah, namely:

- SMK Tamparuli
- SMK Tenghilan
- SMK St. James
- Sekolah Sabah Adventist Secondary Schools

The symbolic handing over was done by the District Governor, Dolly Yeap, and attended by the District Community Service Chair, Datuk Dr. Hjh Tarsiah Hj Taman, Assistant Governor Datuk Suzanna Liaw, President Benjamin Chin (host club- RC KK South), and other Board members of RCKK South. This project is sponsored by YB Datuk Jahid Gahim, Minister of Rural Development Sabah, who was represented by his wife Datin Hjh Malianah Ugau, at this ceremony.

About 2,000 fabric face masks will be sewn by 10 seamstresses in Tamparuli (economic spill off of the project) and will be handed over to these 4 secondary schools in late July or early August. The delay in this project was due to the MCO which was very strictly imposed in Sabah in February – April this year.

Rotary's Climate Change Conversations Hosted by Rotary Club of Marina City & Rotary Club Singapore

Rotary Club of Marina City and RC Singapore organised our very FIRST conversational environmental event on 18 June 2022 and achieved 116 participants from Rotary Clubs in Singapore and Malaysia and also outside of Rotary which are interested in the protecting the environment.

\$10,100 was raised for Garden City Fund that come under NPARKS. Chairman, Professor Leo Tan of Garden City Fund, part of Nparks received the cheque from DG Dolly Yeap.

Virtual Address by Rotary International President Shekhar Mehta RI President, Mr Shekhar Mehta made a virtual appearance at the event, LIVE from Chicago!! It was a moment of joy, happiness and pride for all of us because this was a surprise that we had kept under the wraps for a very long time. His address and thrust on mangrove restoration added that much more value and momentum to our event. He spoke about the importance of our clubs in Singapore to initiate mangrove planting and restoration projects.

The event is called Rotary's Climate Change Conversations and the theme for this year is "Be the Solution". The goal of organizing this event was to create an environmentally conscious community in Singapore that is open to everyone who is keen to join so that individually as well as collectively we can address Climate Change and be part of the solution.

A planet friendly plant based menu was offered to the guests. Out of 116 registrations, more than 100 guests chose the plant based meal. Through this event we were able to educate people that plant based food can be delicious, healthy and sustainable, keeping in mind the emphasis climate scientists from around the world are urging the affluent societies to gradually shift to a diet that is rich in plants and less dependent on animal sourced products.

We had a keynote speaker on Mangrove Restoration. She spoke about the importance of mangroves and also how we can contribute to their restoration and more importantly, District Rotaractors were roped in the assist in organizing this event Rotaractors were also involved in making sure the event went smoothly in all aspects and they enjoyed the experience very much.

*Contributed by Past President Gladys Pang
Rotary Club of Marina City*

Rotary's Climate Change Conversations, Singapore was truly an exceptional event. The event was executed within the boundaries of Rotary, yet had several unique aspects about it, which I believe, might not have happened before, specially in this part of the world.

We set out to organize this event to bring about a community of environmentally conscious people in Singapore so that we could discuss the undeniable magnanimity of Climate Change as well as learn and understand that solutions are just a few steps away from us. Aptly enough, the theme of the event was "Be the Solution" literally because we already know the seriousness of environmental degradation and climate change.

We had several key elements about the event:

1. VIP Addresses

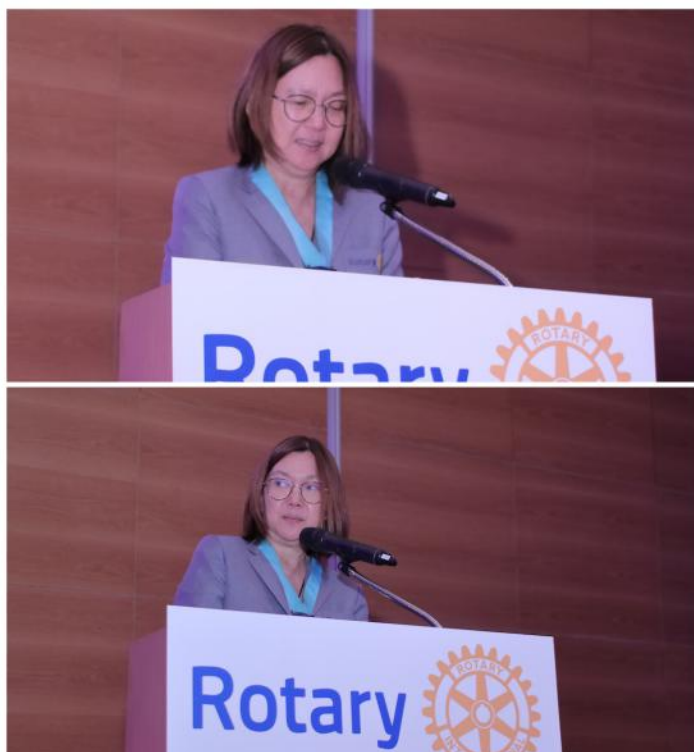

- Virtual Address by Rotary International President Shekhar Mehta

RI President, Mr Shekhar Mehta made a virtual appearance at the event, LIVE from Chicago!! It was a moment of joy, happiness and pride for all of us because this was a surprise that we had kept under the wraps for a very long time. His address and thrust on mangrove restoration added that much more value and momentum to our event. He spoke about the importance of our clubs in Singapore to initiate mangrove planting and restoration projects.

- Address by District Governor, Dolly Yeap

DG Dolly graced the event in person and spoke about her personal belief that “Protecting the Environment” should have become an area of focus for Rotary much before when it happened. She also highlighted the different environment and sustainability related webinars and activities that happened over the past few months, including the environmental Conference held 2 weeks prior in Kota Kinabalu Wetland RAMSAR site jointly hosted by the Rotary clubs of Luyang and Kuching. She also thanked the speakers - Miss Radhika Bhargava, Rtn Anil Changaroth and Rtn Ambaree for the different topics they were going to talk about. To conclude her speech, she congratulated the working committee of the Rotary’s Climate Change Conversations, led by Organizing Chairperson, Rtn Ambaree Majumder, for all the hard work done well.

2. Mangrove Restoration and Preservation

Our **Guest of Honor, PDG Datuk Zainie**, is a fellow Rotarian who has been with us over the years in our many events and activities and together we have served with him in reaching out to our communities in need as service above self is our motto together. He has always been introduced and known to us of his Rotary journey and achievements but there are other aspects of him that were never mentioned.

Datuk Zainie Abdul Aucasa is a Malaysian of Sabah origin, from the Rotary Club of Kota Kinabalu. He is an accountant by profession. A FELLOW member of the Chartered Association of Certified Accountants, United Kingdom. After serving several years in various key positions in both the government and corporate sectors, Datuk Zainie decided to opt for early retirement in 2011, with 4 years of his contract remaining, to take a Rotary position of a District Governor in the Rotary year 2011/ 2012.

Since then he has been very much involved in voluntary organizations especially in Rotary and in areas of environmental conservation. He has been the President of the Sabah Wetlands Conservation Society for several years now, (partly instrumental in getting it a RAMSAR recognition), a founding trustee of the Sabah Environmental Trust, and the chairman of the Malaysian BIMP-EAGA business Council, environmental CLUSTER, a regional inter country grouping between Brunei Darussalam, Indonesia, Malaysia and the Philippines.

At our event, Datuk Zainie gave a talk on “Climate Solution Through Wetlands Approach”. His talk touched upon various aspects related to the 17 Sustainable Development Goals, the Paris Agreement and more importantly, the Ramsar Convention. He also mentioned the Ramsar sites in Malaysia and the various objectives of the Sabah Wetlands Conservation Society.

It was an insightful talk as it opened up several opportunities for clubs in Singapore to gather information and implement in the mangrove stretches in Singapore.

Our **Keynote Speaker, Ms. Radhika Bhargava**, is a National Geographic Explorer and a final year Ph.D. Candidate at the National University of Singapore's Geography Department. She specializes in the management of large-scale coastal threats. She got a double bachelors degree in Biology and Environmental Studies from the University of Cincinnati in Cincinnati, Ohio with the highest honor, her education being covered under the UC Global Scholarship.

She worked at the Center for Research in Endangered Species and Wildlife in the Cincinnati Zoo, and she conducted field research in Paris, Amazon Rainforest, and on coral reefs of the Caribbean Islands. She pursued her Masters in Environmental Management at the University of San Francisco where she was an American Association of University Women Fellow. For her master's thesis, she worked in collaboration with NASA, USAID, and Google to develop a geospatial capacity building platform to support forest conservation in the Mekong countries, for which she received Academic Excellence and Research Award.

Currently, she is working in collaboration with the National Geographic Society on understanding and modeling the process of erosion in several mangrove forests in the world.

Radhika spoke about the importance of one of the key ecosystems to climate change protection- the mangroves. Her topic was “Mangrove Restoration and Preservation” She mentioned how mangroves are a key resource in Singapore, in Sundarbans where almost 14 million people directly depend on them, and for the whole world. She shared some stories from her fieldwork to highlight how mangroves play a key role in the protection of low-lying islands like Singapore. Finally, she shared some ways in which we all can contribute to mangrove conservation and restoration in Singapore and globally.

2. A Planet-friendly Menu option

We had provided the guests an option of choosing a 100% Planet-friendly Plant based meal option. Out of 116 registrations, 106 guests had chosen the plant based meal option, something that is truly unprecedented on so many levels.

We worked very closely with the event management and the Executive Chef of Hotel Grand Hyatt to curate a menu that was delicious, healthy and sustainable so that an event dedicated to the environment walked the talk, specially when it came to the food. Agriculture being one of the main drivers for Climate Change, and with multiple urges from the UN and other climate organizations for the affluent societies to move to a diet that is prominent on plants and less in animal products it was important that we led by example. A menu that was planet-friendly and delicious was presented to the guests so that they could explore the idea of lessening their dependence on animal products in their diet, which has been hailed as the “most powerful climate solution” by numerous climate organizations around the world.

During her talk, Rtn Ambaree, who is also the Organizing Chairperson of the event as well as the Co-Chair of the Plant-Rich Diet Task force under ESRAG, she explained how by choosing the plant based menu, we managed to already save more than 60% of carbon emissions as compared to other menus.

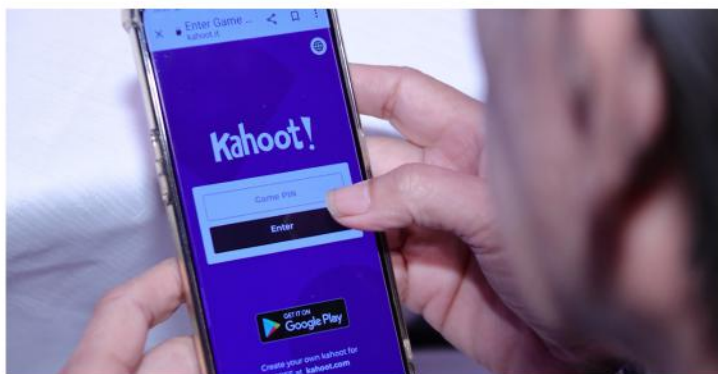

3. Fundraising for Garden City Funds by NPARKS

Honorable Chairman, Prof. Leo Tan, of Garden City Fund, which is a charitable organization established by NPARKS was present to receive a cheque of SGD 10,100 which was raised during the course of registrations. These funds were a contribution to Singapore Government's #OneMillionTrees campaign so that more trees can be planted. Prof. Tan also gave a short talk about the various Garden City Funds projects and ways in which Rotary Clubs can get involved with them.

4. Quiz

Rtn Kelvin and Rotaractor Kaylene conducted a fun online quiz on the Kahoot website. It was a fun and interactive session where everyone played along but also had the opportunity to face a few harsh realities about Climate Change. There were 3 winners, who were gifted with environmentally sustainable gift items.

5. Peacebuilding and Climate Change

Rtn Anil Changaroth gave a very relevant and special talk focussed on how peace building and climate change are related to one another, something that probably is not as obvious as it should be. With an unstable climate, attaining peace on any level, whatever it might be, is impossible and Rtn Anil made it quite clear. A Climate Crisis can potentially disturb every aspect of our lives including a peaceful world.

6. Club Presentations

In this segment, Rtn Jessica, Rtn Louisa and PP Gladys presented some of the projects that the eClub, Rotary Club of Singapore and Rotary Club of Marina City carried out in the past. Gladys also shared some information about the project done by Rotary Club of Kuching Central that received the first prize for environmental protection in the district this year.

Baking for a Cause

Rotary Club of Puteri Lagoon & Rotary Club of Johor Straits View

JOHOR BARU: The Rotary Club of Puteri Lagoon (RCPL) and the Rotary Club of Johor Straits View (RCJSV) are collaborating to empower single mothers to be trained in entrepreneurial skills, enabling them to be self-sustainable.

The project themed "Baking for a Cause" is to provide technical skills in baking so that they can be employed or be self-employed as bakers. RCPL president Yee Woon Seng said initially 12 single mothers were selected to undergo this programme to be trained to adapt new skills and be independent. "We want them to cultivate their self-confidence and take part in society as responsible individuals," he said. He said many single mothers have been hit badly during the Covid-19 pandemic, either losing their jobs or can't work because they need to take care of their kids.

"Single mothers are in their predicament mostly because of spousal death, spousal abandonment or divorce. Many face financial challenges and most single mothers that hail from rural areas usually lack specialised job skills, as well as the education required to get proper employment," he said. Yee stressed that Persatuan Kebajikan Wanita Penyayang Johor Baru, RCPL and RCJSV conducted the assessment to ensure the eligibility of the single mothers to take part in this programme. "Financial independence is what single mothers are struggling to achieve. These women have virtually no savings or very minimal savings of their own," he explained.

Elaborating further, he said they were fully dependent on their husbands for finances. When they become single mothers, a heavy burden is placed upon their shoulders to fight for survival. "They build a foundation of business skills through the programme and become economically independent for their families after graduating," he said. He explained that these single mothers would be provided with raw materials, tools necessary and an oven which they can loan from the Club.

He said if these single mums can provide reports they bake daily or weekly for six months, then they can own the oven. The aim of this project, he said, is to allow these single mums to stand on their own feet and venture into small home-based businesses to make ends meet. He lamented the fact that many single mums are jobless and with our training, they can then embark into the business world and need not be dependent on others.

"Many of them are in dire straits and we show them how to make more money from their own home so that they can save and pay off their debts and educate their children," he stated. He said once they pick up the skill and knowledge they can be employed in a bakery or pastry shop or even do online business by selling cakes or products for a living. Yee who launched the programme hoped they could rope in more single mothers and provide the training so that they can lead a life of independence.

RCPL and RCJSV are extending their hands to help these mothers to earn money and to control their own lives both within and outside the home. Present at the cake baking session were Permas assemblyman Baharudin Mohd Taib, RCPL president Yee Woon Seng, RCJSV president Catherine Chai and other Rotarian officials.

Signature Project-BRING A SMILE (a Cleft Lip & Palate Repair Project) Rotary Club of Tawau Tanjung

In 2012, Rotary Club of Tawau Tanjung started organizing the 'SMILE' project as our club's signature project. In our local community (Tawau) there are numerous Cleft Lip and/or Palate cases. Due to the shortage of plastic surgeons at local Tawau hospital, we need to depend on visiting specialists from KK, QE Hospital. And we also understand the limited number of specialists also running in very tight schedules. This accumulated a long waiting list of patients. Financial difficulties also another major issue especially for those children born undocumented. As mentioned above, timing is the crucial part for the patients. Once the patient grows the result and effect of the corrective surgery will be lower. As a Service Organization, Rotary Club of Tawau Tanjung felt honored to take up this opportunity to organize and finance patients' operation expenses.

Cleft Lip and/or palate is the most common facial birth defect, affecting one in 700 babies worldwide, in Malaysia the ratio might even be higher. Cleft Lip and palate defects not only the outlook of a baby but can interfere with eating, speaking, and breathing and can cause dental problems, ear infections, and hearing loss as well. A cleft lip or palate can be successfully treated with surgery, especially so if conducted soon after birth or in early childhood. The ideal age to receive corrective surgery is between 10 and 12 weeks for cleft lip and between 9 and 18 months for cleft palate.

According to some medical statistics, the life of a cleft child is miserably. And children with unrepaired clefts have an average life expectancy 15 years shorter than other children, mainly due to feeding difficulties in early childhood and other factors.

Most children who have their clefts repaired early enough are able to have a happy youth and social life. Having a cleft palate/lip does not inevitably lead to a psycho-social problem. They grow up uneducated, and they are secluded and don't have any friends. These all mainly because they look different and speech abnormally.

We worked together with Tawau local hospital and supported funds from our Taiwan sister club, over the years, we had sponsored more than 30 patients. To continue benefiting local communities in 2020, we submitted our 'Bring a Smile' Global Grant Project application that has been approved. Now, patients from Hospital Kunak, Hospital Semporna and Hospital Lahad Datu also benefited from this project.

One of our most recent special case is a combination cleft palate and Pierre Robin Syndrome, 11months old patient, Mohammad Alfiendo Bin Abdullah. Due to his parents are non-malaysian citizens and are from a low income group, they're not affordable to pay the amount of RM17,000.00 surgical fee and equipment for the following operation. With PDG Datuk Hj. Zainie's assistance and approval from District Governor Dolly Yeap, the patient's surgical operation been approved by hospital Lahad Datu. And now surgical specialist, Dr Ruben, scheduled the operation in mid of April as soon as the ordered equipment arrived.

Rotary Club Tawau Tanjung

Gift of Sight at Lundu Hospital

As part of RC Kuching Central's signature project 'Gift of Sight', a total of 12 patients from low-income families successfully underwent cataract operations at the Lundu District Hospital. This was a joint project together with our sister club RC Taipei Golden Eagle. The arrangements were coordinated by Prevention of Blindness Chair PP Chai Ko Jee and the operations were successfully carried out by Program Perkhidmatan Klinik Katarak Kementerian Kesihatan Malaysia (KKKKM). We would also like to thank PP Frankie Ong and Borneo Biscuits for sponsoring the food parcels for the patients.

Talk on Producing Food Without Chemicals

A vocational talk on 'Producing Food without Chemicals' was organised by Vocational Chair PP Frankie Yang for the final meeting of RC Kuching Central. Associate Professor Dr Margaret Chan from the University Teknologi MARA Sarawak was present to share on the importance of consuming plants grown without the use of synthetic fertilisers and heavy pesticides.

Coffee Harvesting

Members and family of RC Kuching Central were invited by Mr. Edward Yong to a coffee plantation at Kampung Karu, Padawan to learn about the coffee harvesting process. It was a 25-minute hike through the lush forest to reach the coffee farm where participants were shown the correct method of picking the ripe coffee berries and taste them. Mr. Edward Yong was the recipient of the club's Vocational Service Award in 2020-2021 for his efforts in nurturing local villagers in coffee planting. Indeed, it was a meaningful outing organised by PP Leslie Phuan to see one of the farms in person and realise how this initiative can help local farmers to gain additional income, particularly during these challenging times. Experiencing the harvesting process first-hand also made the members more appreciative of the coffee they drink.

A total of RM60,000 from 4 branches of OCBC Bank namely Kulaijaya, Johor Bahru, Molek and Al-Amin Skudai branches through Rotary Club of Kulai held at the hall of SEK JK(C) Seelong on 26th Jun 2022 with President William Wong of Rotary Club of Kulai handover to School Principal & Directors accordingly.

Instilling Environmental Awareness Through The Environmental Conference 2022

The **Rotary Club of Luyang** and **Rotary Club of Kuching**, supported by **Sabah Tourism Board** recently organised **The Environmental Conference 2022** at The Kota Kinabalu Wetland Ramsar Site, the venue sponsor for the event. The conference was an inaugural congregation of experts tasked to raise awareness of environmental issues in Borneo with the objective to educate, engage and commit the younger generation in environmental protection efforts and to serve to change lives of those affected by climate change.

The event was officiated by Yang Berhormat Datuk Joniston Bangkuai, Assistant Minister to the Minister of Tourism, Culture & Environment Sabah on behalf of Yang Berhormat Datuk Jafry Bin Hj Arifin, Minister to the Minister of Tourism, Culture & Environment Sabah through a mangrove tree planting ceremony which was participated by other VIP guests from the Tourism Ministry, Malaysian Nature Society and Rotary International District 3310 Governor, Dolly Yeap, President of Rotary Club of Luyang, Mr Abdul Halim Egoh, President of Rotary Club of Kuching, Mr Garret Sim, District Governor Nominee Dr John Chan and PDG Datuk Haji Zainie Abdul Aucasa, Advisor of The Environmental Conference 2022.

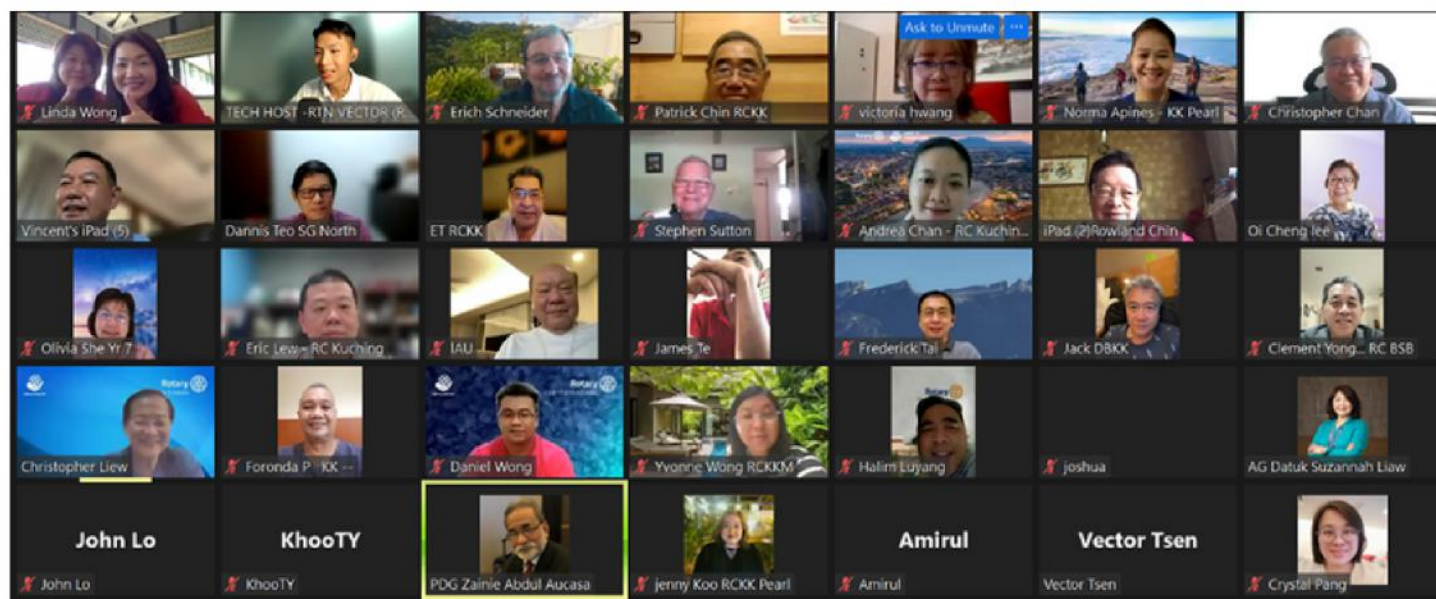

The one-day event was filled with insightful presentations by environmental experts from Malaysia and United Kingdom with papers that covered the preservation of terrestrial biodiversity, the challenges and issue in marine life and the trend and changes in cross cutting issues. During the course of the conference, Rotarians were also tasked to lead by example through environmental discourse, awareness and actions.

Historic RCKK Mt Kinabalu Summit Meeting

In conjunction of the Climb, the Club has organised and held the historic RCKK Mt Kinabalu Summit meeting at 13k feet high on 23 April 2022 at 7am. The meeting was attended by 20 rotarians and friends. A total of 10 Rotary Clubs were present. They are Rotary Club of Kota Kinabalu (Host), KK South, Sandakan North, Sibiu, Kuching, Kuching Central, Kulai, Batu Pahat, Puteri Lagoon and Titiwangsa.

The meeting proceeding started with singing of Negaraku. Welcoming address by President Kevin followed. Then the acknowledgement of attending Clubs by Sergeant At Arm PP George Ng. PP Dr Ravi briefed on the District EPN Mt Kinabalu Climb and District effort in the eradication of polio disease.

The Club is exploring with Malaysia Book of Records for this historic Rotary meeting – being the highest Rotary meeting at such high altitude in South East Asia.

Contributed by Rotarian Vector. T. Tsen
Rotary Club of Kota Kinabalu

President Kevin further acknowledged the 2 outstanding Club members ie Secretary Vector and Director Daniel with the special edition EPN watches (with outline of Mt Kinabalu). Exchange of clubs bannerettes was done with RC Sandakan North and RC Kulai. This meeting was telecasted via Zoom too.

RCKK Final Ladies Night of the Term - Hari Raya Aidilfitri and Pesta Kaamatan Celebration with Ladies Night on 23 May 2022.

Fellowship is the hallmarks of RCKK - Ladies Night cum Raya Harvest Celebration. Well dressed to the theme, reflecting the culture riche Sabahans. Recognition of outstanding Rotarians for their selfless service above self! Entertainment- guitars by our very own Rtn Rizal and Vector.

Rotary International and District 3310 Awards and Recognitions 2022

At the recently concluded 31st District Conference in May 2022 and Sabah Rotary Clubs Assembly (June), our Club and members have been recognised for their contribution in serving the community to change lives. A total of 16 awards and recognitions were accorded to our Club and members.

Topping the Awards list is the Rotary International SERVICE ABOVE SELF AWARD – Rotary's Highest Honor for Individual Rotarians. This is Rotary's International most prestigious Award with stringent qualifying criteria and selection process that take months of scrutiny on individual achievement and contribution, primarily on the aspects of humanitarian, environmental, social and others. And we are proud to have our Club very own Past District Governor Datuk Hj Zainie Abdul Aucasa been honoured to receive this most prestigious Award and Recognitions from Rotary International.

Syabas and congratulations!

In his acceptance speech, PDG Zainie said that all the excellent achievements were not possible without the strong support and cooperation over the years of his club members and fellow Rotarians beyond his club and that he accepted the Award with honour and pride on behalf of all those who were with him in his journey of Rotary service.

Rotary International and District 3310 Awards and Recognitions 2022

Club President Kevin Lim was among the very few selected in the District to receive the GOVERNOR'S SPECIAL AWARD – in recognition of exemplary Rotary Spirit and Leadership providing extraordinary services to the communities and serve to change lives.

Secretary Vector Tsen was accorded the District MOST OUTSTANDING YOUNG ROTARIAN AWARD 2021-22 – an award in recognition of exceptional Rotary spirit and dedication which serves to change lives for members to transform the community!

The ROTARY FOUNDATION'S DISTRICT SERVICE AWARDS is among the special awards for outstanding service in promoting The Rotary Foundation and its goal of world understanding and peace. A District Governor is given only 21 of such awards. Our Club is honoured to have 10 of her members selected among the recipients. They are :-

1. President Kevin Lim
2. Past President Dr Ravi Mandalam
3. Past President George Ng
4. Past President Chiang Wei Chia
5. Past President Philip Koh
6. Treasurer Thor Gervasi
7. Director Benjamin Lo
8. Kevin Padasian
9. Jason Lee
10. Enoch Khoo

Rotary International and District 3310 Awards and Recognitions 2022

Our Club is further been recognised with 2 awards below :-

1. Best Project with Public Image content 2021-22 (Joint Districts Seeing Eyes to Eyes Conference).
2. Service Award for A Polio-Free World 2021-22 (End Polio Now)

The above Awards and Recognitions received were made possible by the great team effort and contribution by each and every Club members with the strong support of families members and friends of Rotary!

國際扶輪3310區總監 葉少菊走訪馬來奕

(馬來奕16日訊) 國際扶輪3310區總監葉少菊日前在第十九組助理總監楊振翔的陪同下訪問了馬來奕扶輪社。

國際扶輪3310區總監葉少菊和第十九組助理總監楊振翔之後在馬來奕扶輪社長邱詩燕、秘書蔡彩鳳、社務管理董糾察郭麗雲及扶輪社友陪同下前往那威探訪盲人鄧添柏。

馬來奕扶輪社於2013年和Pan-EL 電氣工程公司合作，在盲人鄧添柏的住家安裝了獨立太陽能發電設備，為他提供電力。該社也展開定期訪問，以確保太陽能發電設備的良好運作。

他們之後也前往丹甘拉拉森林休閒公園、門達里長屋和水果農場參觀，並在扶輪社友楊謙新的住家享用午餐。在結束那威探訪後，葉少菊區總監前往詩里亞福利老人中心探訪老人並與他們共度時光，同時也派送紅包、食物、馬來奕扶輪社布制口罩和面巾予他們。

上述兩個項目屬於馬來奕扶輪社的年度社區服務活動，該社同時也提供服務以幫助老人和有特殊需要的人，幫助那些有需要的學生接受教育。青年領袖營、捐血活動和新冠救濟項目也是該社開展的項目之一。

該社歡迎志願者的加入和幫助那些弱勢群體、老年人，以促進一個充滿愛心的社區。

國際扶輪3310區總監葉少菊、第十九組助理總監楊振翔和馬來奕扶輪社理事及社友與盲人鄧添柏合影。

國際扶輪3310區總監葉少菊、第十九組助理總監楊振翔和馬來奕扶輪社理事及社友與老人合影。

國際扶輪3310區總監葉少菊派發紅包給老人。

Rotary Club of Belait welcomes district governor

Daniel Lim

The Rotary Club of Belait (RCB) welcomed the Rotary District Governor 2021-2022 of the Rotary International District 3350 Dolly Yip during her goodwill visit to the Sultanate.

The contingent, comprising the District Governor accompanied by Assistant Governor Clement Yong, was welcomed by the Rotary Club of Belait President Henrietta Hiew.

The district governor handing a red envelope to a senior citizen.

Secretary Candice Chai, Club Admin cum Sergeant at arms Helen Tang and other members were also present.

The contingent visited a visually-impaired man in a rural area of Labi, Ab Sim, at his wooden residence. The club has supported this senior citizen over the years as part of their ongoing project.

This includes the project where the club, in collaboration with Pan-EL Electrical and Engineering Sdn Bhd, installed a stand-alone solar panel system providing Ab Sim with electricity since 2013.

The club also conducts regular visits to ensure that the solar panel system is functioning and also provides necessities.

The next stop was the Luagan Larak Recreation Park, Mandaram, long house, and a fruit farm where they had lunch.

District Governor Dolly continued her visit to Seris Old Folk's Home to present red envelopes, food, RCB fabric face masks and face towels.

總監訪奕扶輪社

探望特殊群體樂齡人

(汶萊馬來奕16日訊) 國際扶輪社2021至2022年3310區總監葉少菊日前在第十九組助理總監楊振翔的陪同下，訪問馬來奕扶輪社。

一行人抵達那威時，受到馬來奕扶輪社長邱詩燕、秘書蔡彩鳳、行政經理董糾察郭麗雲及扶輪社友的熱烈迎接。

首先前往那威一間木屋，拜訪失明的華裔老人鄧添柏（譯名）。馬來奕扶輪社於2013年在Pan-EL電器與工程公司的合作下，為鄧添柏的住家安裝太陽能發電設備，提供電力，並定期探訪，確保太陽能發電設備運行良好。

在那威期間，他們也參觀丹甘拉拉森林休閒公園、門達里長屋和水果農場，並在扶輪社友楊謙新的住家享用午餐。之後，葉少菊區總監前往詩里亞福利老人中心探訪老人，與他們共度時光，並派送紅包、食物及馬來奕扶輪社的布制口罩和面巾給他們。

上述兩個項目是馬來奕扶輪社的青年社區服務活動之一。此外，關注老人和特殊群體的需要，為有需要的學生提供教育機會、青年領袖營、捐血活動和新冠救濟項目都是該社的慈善項目。

馬來奕扶輪社在禮堂多義工及各熱心人加入扶輪社，落實扶輪服務精神，共同為弱勢群體和樂齡人服務，共同建立一個充滿愛心的社區。

▲國際扶輪社2021至2022年3310區總監葉少菊（站者左四）在2021至2022年3310區第十九組助理總監楊振翔（站者左五）、馬來奕扶輪社長邱詩燕（站者左六）、秘書蔡彩鳳（站者左七）、行政經理董糾察郭麗雲（站者右四）及扶輪社友的陪同下，拜訪失明的華裔老人鄧添柏（坐者）。

▲馬來奕扶輪社人員參觀門達里農場合影。

▲叶少菊（站者中）在馬來奕扶輪社理事陪同下探訪詩里亞福利老人中心時，與老人合影。

▲叶少菊（右）派發紅色手帕給老人。

▲嘉賓與馬來奕扶輪社理事及扶輪社友在魯甘拉休閒公園合影。

Rotary Club in Collaboration With Lahad Datu Hospital Holds Cataract Carnival at Lahad Datu on The 10th - 12th June 2022

The Rotary Club of Sandakan North in collaboration with Lahad Datu Hospital is organising a Cataract Carnival from 10 to 12 June 2022.

This Cataract Carnival provides surgery for 50 deserving Cataract patients is part of the continuous wider effort by the Rotary Clubs in Sabah under the Global Grant 2122413 Gift of Sight Sabah 2.0, worth about US\$90,000 or approximately RM360,000 to compliment the Government's initiatives to eliminate avoidable blindness for people in Sabah especially those rural poor and needy communities.

The Club President Alan Khoo said the project was timely as Sabah had the most alarming magnitude of eye problems in the country. The Malaysia National Eye survey in 1996 indicated that Sabah, highest prevalence of visual impairment and the highest prevalence of blindness which is equivalent to more than two and half time the National overall figure. Sabah also recorded the highest prevalence of refractive error which was almost three times the National level. The survey also showed that the State is the second highest in prevalence of low vision and untreated Cataract and was the third highest in prevalence of Cataract.

He said the project was made possible in part by a grant from the Rotary Foundation of Rotary International, generous support and contribution from Rotary International District 3462 in Taichung Taiwan through Rotary Club of Changhwa Evergreen (international partner), our own District 3310 through District Designated Fund (DDF) , Kota Kinabalu Rotary Institute (KKRI) and Rotarians' contribution from 10 Rotary Clubs in Sabah (Rotary Clubs Kota Kinabalu, Likas Bay, Tanjang Aru, Luyang, Kinabalu Sutera, Kota Kinabalu Pearl, Kota Kinabalu Mandarin, Tawau, Sandakan and Sandakan North (for being the lead club for this huge Global Grant Gift of Sight Sabah 2.0 project).

The Global Grant Gift of Sight Sabah 2.0 Cataract project is being implemented in collaboration with the Eye Department of Queen Elizabeth Hospital, Duchess of Kent Hospital Sandakan, Tawau, Lahad Datu Hospital, KPJ Specialist Hospital Kota Kinabalu, EyeMedics Specialist Eye Centre in Kota Kinabalu and Malaysia Medical Association Sabah branch. The partnering government hospitals and private hospital/eye specialist centre are providing free surgeries while the Rotary Global Grant funding of US\$90,000 is to provide IOL for about 800 – 1,000 deserving cataract patients. This is another success of many Rotary Clubs' programmes utilizing the power of "Partnership In-Service" representing another outstanding example of a public and Non-Governmental Organisation and Rotary partnership where resources are shared to undertake bigger project.

According to Past District Governor Philip Chong, who is the Coordinator for this Global Grant Gift of Sight Sabah 2.0 project, that disease prevention and treatment like avoidable blindness is one of the SEVEN Area of Focus of the Rotary Foundation's humanitarian service program that has been benefiting the local and globe communities over the 117 years of existence of Rotary International.

In addition, Rotary Clubs in Sabah has been actively carried out many prevention of blindness projects over the past 20 years. The most recent Cataract project was the Global Grant Gift of Sight Sabah 1.0 in 2017-2018 where 1,009 Cataract patients has benefited and regained their eyesight. With the relaxation of Govt.'s SOP and opening after the COVID 19 pandemic, Rotarians hope to mobilise trained Cataract Finders to assist in screening cataract patients especially those in rural villagers all over in Sabah for the current Global Grant project.

He also said that Rotarians are People of Action and share a unique passion for taking action to improve their communities and the world which is in line with the Rotary Vision statement "Together, we see a world where people unite and take action to create lasting change — across the globe, in our communities, and in ourselves."

Past District Governor Philip Chong would like to take this opportunity to express his sincere appreciation and gratitude, on behalf of Rotary Club of Sandakan North, for the overwhelming support and invaluable contribution from:

- Ophthalmologists Dr. Chiang Wai Seng &
- Eye Specialist Dr. Nurhayati Abdul Kadir both from Duchess of Kent Hospital Sandakan,
- Dr. Raja Norliza Raja Omar, volunteer eye specialist and retired Head of Ophthalmology department Malacca Hospital,
- Dr. Chin Kel Vin volunteer eye specialist from KJP Sabah Specialist Hospital Kota Kinabalu,
- Eye specialists Dr. Logeswary Kandasamy and
- Dr. Anis Baidura from Tawau Hospital as well as the medical team involved,
- Rotarians (President Alan Khoo, AG Tsang Hieng Yee, PP Chong Len Yu, PP Yap Kok Ming, PP Sharon Hee, PP Robert Pang, PP Lim Kim Lu, PP Sophin Lin, PP Koh Hong Lian and spouses from RC Sandakan North and
- President Audrey Koh & PDG Philip Chong of RC Likas Bay (attending the closing ceremony)
- Past President Frank Lim RC Tawau

in making this Cataract Carnival in Lahad Datu a great success benefiting 50 Cataract patients. It was really a great TEAM and Service Above Self efforts!

Joint-Club Project: COVID CASH AID 2022 FOR 261 STUDENTS

Jabatan Pendidikan Negeri Sabah, Kota Kinabalu
June 3rd, 2022

This Project is initiated primarily to provide financial aid for 261 students whose parent or parents have died from Covid related complications during the recent Covid-19 pandemic. This is a joint club project participated by our Club together with RC Likas Bay , RC Tanjung Aru and RC Tawau Tanjung with the grant support from Rotary International District 3310.

The said students shall each receive cash and a bilingual dictionary. The mock cheque presentation was made in presence of our President Benjamin together with DG Dolly Yeap, AG Datuk Suzannah Liaw and the other 3 Clubs' Presidents as well as the Sabah State Education Director Puan Tah Nia binti Haji Jaman with her officer.

HANDOVER CEREMONY OF FABRIC FACE MASKS TO SECONDARY SCHOOLS IN TAMPARULI

June 6th, 2022

A joint project with Rotary International District 3310 Community Service. This Project was organised by D3310 Community Service and our Club being the host club. The event on the day was graced by DG Dolly Yeap with the presence of Datin Marliana (wife of YB Datuk Jahid Jahim), AG Datuk Suzannah Liaw, Datuk Dr Tarsiah (Community Service Chair of D3310), President Louis Tan of RC Penampang and our Club's President Benjamin, and their supportive members. The fabric face masks were presented to some secondary schools' representatives by DG Dolly Yeap. Thank you DG Dolly Yeap together with AG Datuk Suzannah, RID 3310 Community Service led by Datuk Dr Tarsiah and the members of RCKKS for participating in this ceremony.

RCKKS SOCIO-MEDICAL OUTREACH PROGRAMME TO PENSIANGAN

June 11th - 12th, 2022

“A successful Socio-Medical Outreach with plenty of fellowship with Rotarians and friends of RCKKS”

It has been over 2 years since our Club did a Socio-Medical Outreach program and it was due to the Covid-19 pandemic. As such, it is fitting for our Club, through the organisation of Past President Datuk Dr Ganesh, to restart this signature programme of our Club to Pensiangan.

The trip to Pensiangan from Sapulut alone (Keningau to Sapulut took approximately 1.5 hour) took almost 3 hours to reach in, bearing in mind this is a gravel and muddy road. Even google map could not show us the path to the destination! There were 9 vehicles with 30 members, families and friends of our Club as well as volunteering medical assistants, pharmacist and dental assistants from Keningau Hospital, whok joined for this meaningful program of our Club.

After a challenging journey in, we finally reached Pensiangan and proceeded with our Socio-Medical Outreach programme. We provided the village folks with medical, dental and eye checkups, deworming pills for the children, face masks, some food packs, clothings, toys and bags that our Club brought in. The impression that we got from the village here is that while it is clear they just basically live there, but it is hard to imagine how they would have to travel through those challenging road to go out to get their necessities.

After all the hardwork, everyone had a fine evening of dinner and fellowship. The next day, we departed to Keningau at 8.00am after breakfast. We had lunch at Keningau before we all went back to KK. It was indeed a worthwhile programme to Pensiangan! Even though we had cars that broke down in and out of Pensiangan we did our small part to serve to change lives of community therein.

Thank you so much to all Rotarians of our Club, their families and friends, as well as the volunteering medical assistants, pharmacist, doctors and dental assistant. Also thank you to Andre, the Medical Assistant at Klinik Kesihatan Pensiangan for arranging this programme, our food and lodging for the night there.

Club project Special feature - Tamparuli Girls' Hostel

The Kg. Bantayan Girls' Hostel in Tamparuli is part of two of the ambitious and significant long-term projects which RCKKS had embarked on and successfully completed. Both the hostels were built with the objectives of providing the poor and under-privileged students from the remote surrounding villages with comfortable shelter and easier access to schools for education.

A bit of the background on the other hostel, St. Maria Gloretti Girls' Hostel (SMGH) in Keningau. It was completed in 2000 and it had made huge difference to the lives of many rural students in Keningau since its inception, with many having subsequently graduated from colleges and/or universities and are now gainfully employed professionals. Many are now living out of poverty and enjoying a more dignified life. SMGH can accommodate up to 100 students and is currently managed by the Franciscan Sisters from the Catholic Diocese.

The Kg. Bantayan Girls' Hostel in Tamparuli (which is a joint project with H.E.L.P. Foundation) on the other hand has recently completed this year with funds raised throughout the years from one charity dinner to another, one charity golf to another, various donations from the members and Rotarians, good Samaritans and corporate donors towards the main purpose, that is, to have a hostel to accommodate girls students from rural area around Tamparuli, so to enable them to have access to education in nearby schools, which they would otherwise be deprived of due to the remote locations of their homes.

The land to this hostel was donated by a Mr Tan Chong Yian to the H.E.L.P. Foundation for the purpose of building a hostel thereon, whereby RCKKS had entered into a JV with H.E.L.P. Foundation to take up the role and task to construct, and complete the hostel. The hostel is capable to accommodate up to 200 students once it is fully operational.

Installation of The 88th President James Lee & Board of Directors

June 25th, 2022

Two installations in a day...how wonderful to have the opportunities as the term is coming to a closure.

Thank you incoming President James Lee Huan Siak for the kind invitation made to me a year ago. I am indeed proud to witness your auspicious moment, as the 88th President of The Rotary Club of Singapore.

Congratulations to Outgoing President Louis Lim for an outstanding year supporting strongly both the local communities and beyond. I enjoyed serving to change lives with you and members of The Rotary Club of Singapore. Thank you and all the best.

Youth Service Committee Report

INTERACT LEADERSHIP TRAINING CAMP (ILTC) 2021-22:

23rd Jul to 25th Jul 21

The 2nd Online edition of ILTC in conjunction with youth corps Singapore and had over 132 Interactors (69% Girls & 31% Boys) from 20 Interact Clubs sponsored by 10 Rotary Clubs from around Singapore and Malaysia attend. Activities included intercultural dialogue and volunteerism for social inclusion, which was done by grouping students with similar profiles, learning contents were more tailored, and leadership development skills were enhanced, which increased ties between Rotarians, Rotaractors, Interactors, and Teacher Advisors. More than 31 Rotarians identified ways they could advocate for young leaders in schools and

communities, and 19 teachers explored Interact Club activities and how they could help bridge the gap between Rotary clubs and school administration. DG Dolly, President Louis Lim presided over the inauguration and District Interact Chairman James Lee took over Rotary sessions.

THE INTERACT COORDINATING COMMITTEE (ICC):

25th Jul 21

The election for the ICC was conducted after the ILTC lunch on 25th July, 2022. This year, Google forms were used to consolidate the votes from the Interactors.

The Interact Coordinating Committee (ICC) is composed of Interactors from all 26 Interact Clubs in Singapore. The ICC Board is elected by the Interact club boards. It consists of a president, a vice president a secretary, a treasurer, and committee members. The ICC encourages clubs to exchange information as well as do one major project together. This year's ICC President was elected from Raffles Institution Interact Club.

Youth Service Committee Report

ROTARY 4-WAY TEST DEBATE WINNERS:

27th Aug 21

The Rotary Club of Colombo organized this debate. The Singapore debate team consisting of Intr. Sindhu Shree and Intr. Aditya Garladinne from GIIS PG Smart Campus and Intr. Varshitha and Intr. Jayden from Punggol Secondary School made impactful four-minute speeches regarding why a four-way test is necessary today and helps alleviate situations like gender disparity, digital divide, religious discrimination, and youth issues. Since Rotary's core mission is "Service above self", we were able to demonstrate the fact that neglecting the four-way test would be the antithesis of Rotary's mission.

The Prize was handed over by Rtn. Uttam Kriplani and YSC Chair Mukund to the winners on August 27th at GIIS PG Smart Campus.

MENTAL HEALTH SEMINAR:

6th Sept 21

A passionate advocate for mental health, Rtn. Uttam Kripalani led a seminar aimed at increasing awareness of the importance of participating in GIIS - Interact Club for students of grades 11 and 12. Among the topics discussed were anxiety, the impact of the pandemic on mental wellbeing, exam anxiety and the importance of seeking help. Furthermore, the seminar was aimed at eliminating existing taboos surrounding mental health and to provide students with a deeper understanding of the matter. Students were able to test their knowledge and get a deeper insight into personal topics and issues through an interactive quiz and a Q&A segment.

FOOD FROM THE HEART with CSC COMMITTEE:

On the third Saturday of every month, youths from Rotaract Clubs of Singapore and Bukit Gombak participate in the monthly distribution of "Food from the Heart" packages to the needy in our community.

Thanks to CSC Chair. Peter who encourages them along with Rotarians.

Youth Service Committee Report

APRICUS

30th Sept – 5th Oct 21

A toy donation drive was held by the RCS and GHS Interact Clubs in partnership with the Bangcol Elementary School in Zambales Province in the Philippines, a school offering a wonderful learning environment for kindergarteners to grade six children. 179 toys and 6 board games were collected during the drive by the club, which enjoyed tremendous support and positive responses. Students also wrote short messages for those in the Philippines. Youth Service shipped the package to Philippines.

ROTARIAN ADVISORS AND TEACHER ADVISORS MEETING

28th Oct & 25th Nov 21

On 28th Oct 21, Catholic Junior College Interact Club, Raffles Institution Interact Club, Tanjong Katong Girls School Interact Club, and Victoria Junior College Interact club teacher advisors and Rotarian advisors participated in a training workshop on Rotarian Advisors and Teacher Advisors.

On 25th Nov 21, Anglo-Chinese School (Independent) Interact Club, Global Indian International School Interact Club, Haw Chong Institution Interact Club, and Bukit Gombak Eagles Interact club teacher advisors and Rotarian advisors participated in a training workshop on Rotarian Advisors and Teacher Advisors. The workshop was conducted by District Interact Chair James and organised by Rtn. Arnaud.

POWERFUL YOUTH MENTORING SKILLS COURSE

30th/31st Oct & 27th/28th Nov 21

Developing powerful youth mentoring skills

A 2-day hands-on training course packed with practical and effective skills, techniques and tips for powerfully mentoring youths of today.

DETAILS ***SkillsFuture Credit eligible course

Date: 29 - 31 Oct 2021
Time: 9AM - 6PM
Venue: Foundation of Rotary Clubs Singapore Learning Centre

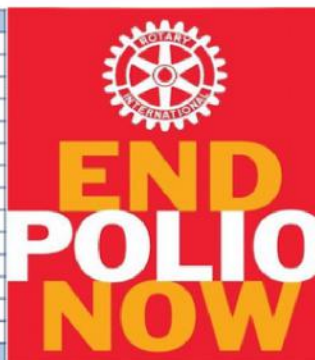

DR JOHN TAN

30+ years experience in youth work sector
 Executive Director, Children At Risk Empowerment Association (CARE Singapore)
 Founding President, Youth Work Association Singapore
 Board Member, Mentoring Alliance Singapore

This course was held at FRCS and was attended by 17 Rotarians, this 2 day event was packed with tips, techniques, and practical skills for powerful mentoring of today's youth. Rotarian Advisors as mentors will have the confidence and competence they need to influence their mentees as a result of a positive youth development program. Dr. John Tan who gave us insights on five C's Competence, Confidence, Connection, Character, Caring and Compassion. This was organised by our Youth Service Advisor Rtn. PP Jimmy.

Youth Service Committee Report

MENTAL LIT - PROJECT ACCENDO II:

1st Dec to 3rd Dec 21

The Youth Service Committee and Interact Coordinating Committee (ICC) launched a joint project – the Mental Lit Project Accendo II – for Youth Corp of Singapore. VP Ronald supported Accendo's project to make the IMH virtual.

The Ministry of Education has been focusing increasingly on mental health over the past few years, even though it is a common phenomenon among Singaporeans. The Mentally LIT workshop, organized by the Institute of Mental Health (IMH) and REACH organization, aimed to educate youths on mental health issues. This virtual program took place from 1st to 3rd of December in which over 30 Interactors from 12 different schools participated. Interactors participated in meaningful focused group discussions and thought-provoking presentations throughout the programme, which were complemented by extensive pre-reading web links and worksheets provided by IMH. Interactors learned a great deal from the workshop, including types of mental illnesses, the importance of building a strong and close-knit support system, and ways to improve mental health stigmas.

The program provided Interactors with an opportunity to gain a deeper understanding of the subject, and they shared this information with their family and friends. According to some Interactors, the workshop prompted meaningful conversations and addressed common misconceptions about mental illness. Interactors were also pleased with the depth of information imparted to them throughout the workshop, as the slides and pre-reading resources were beneficial in gaining a grasp of the subject matter. In anticipation of embarking on a journey of encouraging positive mental health among all individuals while removing a stigma perpetuated by people's preconceived notions, IMH hopes that the workshop has adequately addressed the concerns and queries of workshop participants.

Youth Service Committee Report

SINGAPORE YOUTH MEDICAL FORUM

10th & 13th Dec 21

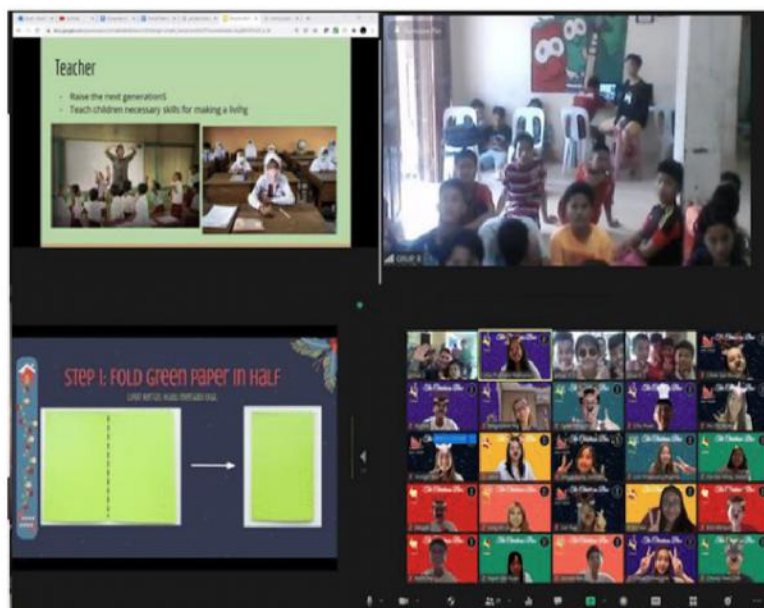

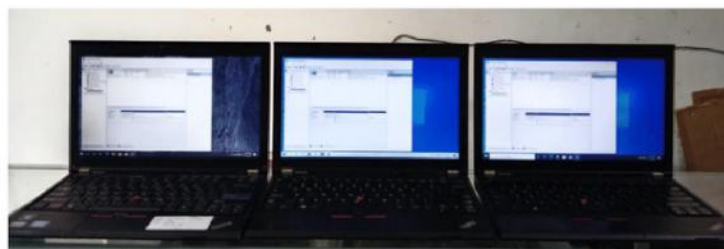

The Youth Service partnered with Singapore Youth Medical Forum 2021. SYMF contributes to the healthcare sector by organizing webinars, social media engagements, volunteer opportunities, and their year-end symposium on "Moving Beyond COVID-19." by partnering with NUS Saw Swee Hock School of Public Health, Ang Mo Kio Thye Hua Kwan Community Hospital, Outram Community Hospital, and St Luke's Hospital.

The SYMF Year-End Symposium was attended by over 300 students from 41 schools through 12 webinars and 31 speakers. Furthermore, SYMF established a Public Health Ambassadors Program for 56 students, passionate about public health issues, which led to the formation of Sembawang Interact Club.

PROJECT BETHALAX – by Rotractors

21st to 23rd Dec 21

In response to the need assessment by Pastor Zebua the Rotaract Club of Singapore came forward to support the Bethesda Orphanage. YSC Rotarian Wilson donated around \$1,500 for purchasing these laptops, which included 3 Lenovo ThinkPad's and 2 Dell laptops.

The next phase of this project was supported by \$1,175.05 from the Youth Service Committee under the YEP-Go grant. This project was led by Rtr. Celia through Online Study Skills.

It encourages creativity in studying methods and promotes deeper understanding of the contents, particularly during Zoom sessions where there are more restrictions and distractions thus lowering the motivation of students to study. The purpose of the program is to bring joy and develop international friendships with the orphans by organizing games and activities based on the Christmas season while enhancing their

professional development and health awareness through workshops and presentations.

Youth Service Committee Report

ASIA CLEAN HANDS PROJECT

08th Dec to 21st Dec 21

This project aimed to educate the interactors on how to protect themselves and their loved ones from COVID-19.

Smart City collaborated with Rotary Clubs of Singapore and Gangtok to organize the Asia Clean Project at Deorali Girls Senior Secondary School in Sikkim, India. The project was led by Haw Chong Interactor Claire Ching.

This program was attended by 100 girls from the NSS Club at the school. They were trained on proper hand washing techniques, soap making, reusable masks, and guidelines for following covid 19. Educational sessions were conducted by Hwa Chong Institution Interactors.

There were 8 lessons in the program, each lasting 2:30 to 3 hours and divided into two parts, one theory and one practical. The lessons included COVID-19 theory, reusable mask making, hand hygiene theory with the 9 steps for infection control, and soap making, and it was really interesting to see their end products and interact with them despite not being physically present. To make the lessons more interactive, the participants played games using Kahoot, Mentimeter, and Padlet to exchange cultural ideas.

Thanks to PP Jimmy for connecting us with Rotarian Sangay Choden from the Rotary Club of Gangtok Smart City. This project was supported by Rotarian Uttam and YSC Chair Mukund as well. Youth Services funded around \$2,562.84.

Youth Service Committee Report

COLLABORATION WITH NATIONAL CENTRE FOR INFECTIOUS DISEASES (NCID):

17th Jan 22

The Rotary Club of Singapore (RCS) has partnered with the National Centre for Infectious Diseases to conduct a "Disease Detective Camp" for our Interactors and Rotaractors from June 13th to 15th 2022 as part of our Public Health Ambassador Program.

The MOU was signed by President Louis Lim & Prof. Leo Yee Sin.

Our Vice President Dr. Chan and Interact Advisor Dr. Steven led this initiative.

ROTARIAN ADVISORS UPDATE:

20th Jan – 24th Feb 22

Our Interact & Rotaract clubs is required to report advisor annually. We do have more than one advisors for each Interact and Rotaract Clubs, Rotary International requires only one individual to be reported per Rotary each year 1st July – 30th June which was completed by our Rotarian Advisors.

DISTRICT INTERACT TEACHER ADVISORS TRAINING

19th Feb 22

A total of 10 teacher advisors from 8 Interact clubs participated in our district Interact Teacher Advisors Training. District Interact Chair James Lee trained them on applying for Rotary International Citation Awards, District Interact Awards, and maintaining Interact Clubs. Whilst sharing ideas and best practices, Brainstorming around a club and district project. We had around 22 teacher advisors from Singapore and 9 teacher advisors from Malaysia.

PROJECT KAMLEANG

17th Oct 21 – 20th Feb 22

An Overseas Community Involvement Programme (OCIP) targeting girls between the ages of 10 and 18 in the Yeang and Kdei Roun communities in Siem Reap, Cambodia, who are at risk of falling prey to sex trafficking. The Learning Journey Cambodia Foundation has been partnering with the Rotary Club of Singapore for many years, so it identified the target communities. The main objective of Project Kamleang is to empower beneficiaries in the field of English by giving them critical vocational skills.

A total of \$2,566.05 was allocated by the Youth Service Committee under the YEP-Go grant and our YSC Advisor PP Jimmy determined that the project should go towards the Global Grant in the next phase. The Project Director was Rtr. Chu Yuan from Rotaract Club of Singapore.

Youth Service Committee Report

DISTRICT INTERACT CLUB ROTARIAN ADVISORS TRAINING

24th Feb 22

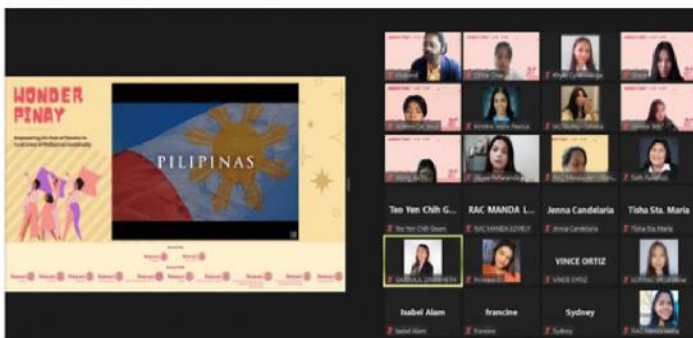

A total of 18 Rotarian advisors from 8 Interact clubs participated in our district Interact Club Rotarian Advisors Training. District Interact Chair James Lee trained them on applying for Rotary International Citation Awards, District Interact Awards, and maintaining Interact Clubs whilst sharing ideas and best practices, Brainstorming around a club and district project. We had around 28 Rotarian advisors from Singapore and 5 Rotarian advisors from Malaysia.

PROJECT PINAY

15th Jan to 25th Feb 22

In partnership with Rotary Club of Singapore, RI Dist. 3800, and Rotary Club of Rizal West, this project was organised by the Rotaract Club of Singapore. Thanks to VP/ISD Grace and ISD Chloe for leading the committee. Thanks to Rotarian PP. Perlita and PP. Jimmy for initiating the connection, to ISC Chair Varun and ISC Committee Members who contributed around \$800.00, and to the Youth Service Committee under the YEP-Go grant which provided an additional \$2,566.05, the program consisted of a sanitary pad kit that was shipped by RACSG to Philippines.

The first round of this programme took place over 15 sessions for RID 3800 centred in-around Manila. It targeted girls between the ages of 8 and 23, who had access to the internet, but no access to sexual education. There were no more than 65 participants in each session. Participants were distributed the sanitary pads and ebooklet.

The following round was with Rotary Club of Rizal West. Pampanga is a rural province with girls aged 4-30 who have little access to electricity and Internet, no access to sex education or clean water, and primarily are farmers. While the RACSG team handled the sanitary pad kits (sewing and stitching) and Rtn P Joan translated the content from English to Tagalog, the RCRW team conducted the session for 100 girls in this tribal village led by Pres. Cuki.

Overall, the objective is to empower the girls with sex education and teach them how to make sanitary pads this has impacted over 200 girls. In addition to learning, the participants had a great time. The participants during the last photo session sent pictures of the sanitary pads they had completed and flashed 'thank you' messages.

Youth Service Committee Report

MASK DONATION

10th Feb to 21st Mar 22

Youth Service Committee donated RCS masks to six of its sponsored youth clubs, totaling approximately 780 masks.

ACS (Ind) IC	150
HCI IC	80
CJC IC	100

SUPPORTING INTERACTORS PROJECTS

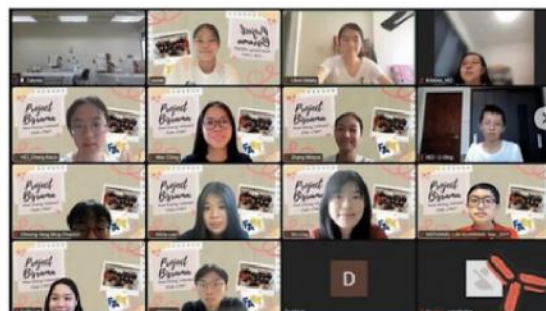

The COVID-19 pandemic had severely disrupted our Interactors' fund-raising activities, and they were not able to raise funds as per the MOE and School Guidelines, but it has not dampened our Interactors spirit of caring, on the contrary it has strengthened it. Thank you Hon. Pak Mohan, YSC Chair Mukund, Rtn. Wilson Widjaja, PN Dr Chan Siew Luen, PP. Dr. Shahul Hameed, Rtn. Paul Phua, Rtn. Sean Lim, PP Jimmy Ooi, PP. Paliath Mohandas, VP. Ronald Wong, Rtn. Srihari Sikhakollu, for supporting our Interactor Projects with your generous donation of \$4,571.00.

PROJECT BISRAMA BY HCI INTERACT CLUB:

27th Feb 22

On 27th Feb 2022, HCI hosted a webinar with foreign domestic workers from the Foreign Domestic Worker Association for Social Support and Training (FAST). Through activities such as Chinese Calligraphy, Chinese Paper Cutting, Just Dance, and Kahoot.

The purpose of this initiative is to raise public awareness of issues that FDWs commonly face, especially in light of the current COVID-19 situation.

ICC X HEALTH FEST - ESPERER (HCI)

14th Mar 22

Project Esperer was conducted via Zoom on 14th March from 9:00 AM to 3:00 AM to promote mental health and wellness-improvement habits through relaxing activities and sharing by school counselors.

In order to promote better coping mechanisms with the stresses of day-to-day life, we actively promote stress management and encourage the learning of self-care practices through hands-on activities at our event, which had around 74 participants.

Youth Service Committee Report

ICC X HEALTH FEST - RACSG STRESS MANAGEMENT TALK

18th Mar 22

This talk was arranged to all the JC students from different schools across Singapore via zoom on 18th March from 7:30 PM to 9:30 PM, The Objective of this talk: Having to manage homework, exams, CCA, tuition or even enrichment program, we often feel tired and stressed out by the amount of workload and how little time we have for ourselves! With the aim to promote stress management among youths, Rotaract Club of Singapore has invited speakers to share about:

1. Identifying stress patterns and management by Ms. Pragati
2. Time Management by Rtn. Uttam
3. Setting goals / Identifying motivation by Ms. Mabel

Thanks to RACSG YSC Dir. Crystal and ICC VP. Chloe.

CONFERENCE ATHENA - WOMEN IN STEAM

19th Mar 22

The GIIS Interact Club, together with the GIIS GalxZ STEM Club, Women Empowerment Club and Youth Service presented the Conference Athena on 19th March from 4:00 pm to 5:45 pm. It was held to honour the achievements of women around the world as they break through gender barriers and stereotypes. At this conference, the panel discussion was informative and engaging, followed by an interactive Q&A session.

Director Louisa Lee and Rotarian Pauline Teo were both incredibly generous with their insights and contributed overall to an increasingly stimulating conversation.

SINGAPORE INTERACT DEBATE – SPECTRUM 3.0

26th Mar 22

A Singapore Interact Debate competition was hosted by Rotary Clubh of Singapore together with GIIS Interact Club and GIIS Debate Club via zoom on 26th March from 01:00 PM to 5:00 PM, In their opening addresses, our ISC Chair Varun and Public Image Director Ranga addressed all the participants.

ISC Chair Varun spoke of how debate and negotiation are fundamental to the work of parliaments and influence legislation and public policy. The skill of negotiation is very useful in most professions. In conflict resolution, debate aids in the de-escalation of conflict by allowing for clear communication and writing down points.

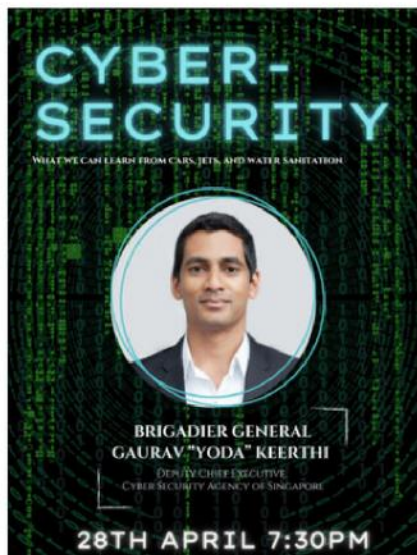

As Director Ranga discussed, learning how to debate is an essential life skill that can assist you in communicating effectively and help you develop soft skills that will prove invaluable in the workplace. The competition serves as a learning platform that takes advantage of the benefits that come from experiential learning.

The winners were given popular vouchers by Youth Service.

Youth Service Committee Report

CYBER SECURITY TALK

28th Apr 22

YCS hosted a webinar on Cybersecurity hosted by Brigadier General Gaurav Keerthi, Deputy CEO of CSA; What we can learn from cars, jets, and water sanitation.

Cybersecurity is becoming increasingly important to achieving sustainable growth and prosperity for nation-states, enterprises, and society at large as BG Gaurav stressed. Throughout the years since the Industrial Revolution, mankind has taken significant steps to create products and services that are safer and more secure. Particularly poignant was his example of innovation without adequate security consideration; the supersonic Concorde, which became "extinct".

Since the Q&A session was filling up with interesting questions from members, the session quickly exceeded its intended duration.

We would like to thank BG Gaurav for what everyone found to be an extremely informative and interesting talk. We also asked him to do another RCS talk soon.

VIRTUAL INTERACT EXCHANGE: ROTARY CLUB OF COLOMBO AND ROTARY CLUB OF SINGAPORE

8th May

We held our Rotary Virtual Interact Exchange via zoom on 8th May from 9:30 AM - 11:15 AM SGT., together with Rotary Club of Colombo and Rotary Club of Singapore, St. Paul's Interact Club, Sri Lanka and Tanjong Katong Girls Interact Club, Singapore, provided young Interactors with the chance to meet Interactors from both countries and experience new cultures, as well as promote global understanding among young people. YSC Chair Asangi Jayasinghe Ratnayake (RCC) & YSC Chair Mukund (RCS) guided the Interactors during their presentations about each other's clubs, projects, and countries. Pres. Aroshi Nanayakkara (RCC) and Pres. Louis Lim (RCS) and Rotarians and teachers from both the clubs participated virtually.

VIRTUAL ROTARACT EXCHANGE: ROTARY CLUB OF COLOMBO AND ROTARY CLUB OF SINGAPORE

8th May

Rotary Virtual Rotaract Exchange took place via Zoom on 8th May, 04:30 PM to 05:45 PM SGT. This exchange was between Rotaract Club of General Sir John Kotelawala Defense University - KDU (Sri Lanka) and Rotaract Club of Singapore, this exchange gave youths from both clubs the opportunity to meet Rotaract members from both countries, they shared their key projects and discussed possible joint projects to be carried out by the two clubs under the guidance of YSC Chair Asangi Jayasinghe Ratnayake (RCC) and YSC Chair Mukund (RCS).

Youth Service Committee Report

INTERACT CHARTER PRESENTATION

13th May 22

We added two more interact clubs this year, Eaton House Interact Club institution-based and Sembawang Interact Club community-based.

It was the first time ever that the Interact Charter was presented by Rotary International President Shekhar Mehta along with Rotary Club of Singapore President Louis Lim and Youth Service Chair Mukund at the Rotary Club of Singapore dinner and meeting on 13th May held in the Garden Ballroom of Park Royal Collections Marina.

Teacher Advisor Mr. Billy Clucas and Interact Club President Madalyn Damrongkul received the Eaton House Interact Club Charter

VP Dr. Siew Luen Chan and Interact Advisor Dr. Steven Ooi received the Sembawang Interact club.

VIRTUAL YOUTH EXCHANGE AWARD CERMONY

11th Jun 22

The Award Ceremony of Rotary Virtual Exchange on 11th June 2022, 50 Interactors both from Colombo and Sri Lanka participated. DG Dolly (RI DIST 3310) opened the address followed President Rtn. Aroshi (RC Colombo). The ceremony was held by showcasing the cultural digital booklets and entertainment from the interactors.

The Interactors were guided by Rtn Asangi Jayasinghe Ratnayake, Chairperson Youth Services of Rotary Club of Colombo and Rtn. Mukund,

Director Youth Services, Rotary Club of Singapore.

All the participants were presented with Certificate.

Youth Service Committee Report

DISEASE DETECTIVE CAMP

13th Jun – 15th Jun 22

Disease Detective Camp 2022

1. Real Life Disease Detective Observations
2. Learning from Scenarios, Case Studies
3. Rookie You... as Junior Epidemiologists!

VP Dr. Siew Luen and Interact Advisor Dr. Steven In their introductory webinar, 91 youths from SYMF indicated interest in participating in PHA, and 58 youth signed up to be interactors, with a focus on community and public health. To train Interact Club members, public health experts are conducting webinars every 3rd Saturday of the month.

In the three days of the Camp from 13th June to 15th June, Interactors will work with Rotarian advisors from the Rotary Club of Singapore, public health experts from NUS Saw See Hock School of Public Health and National Centre for Infectious Diseases, and community health practitioners from Yishun Health, to plan and implement initiatives for community health transformation in the Sembawang area.

The grassroots leaders of Sembawang supported this. Grassroots Advisor for Sembawang (Canberra), Member of Parliament Dr. Lim Wee Kiak will be launching the Camp on 13th June 2022, while Grassroots Advisor for Sembawang (Central), Minister Ong Ye Kung will be installing the first Board of Directors of the Interact Club of Sembawang.

The National Centre for Infectious Diseases and Yishun Health contributed major share of \$17,378.60 for the camp. The Rotary Club of Singapore received the remaining support of \$7,635.00 from Ishk Tolaram Foundation under the Service Committee Discretionary Fund. Thanks to Honorary member Mohan Vaswani, Rotarian Raj Vaswani, Ms. Divya, the COO (ITF) and PP Shahul for the generous contribution to the service activities.

INTERACT CLUB IN SEMBAWANG

15th Jun 22

The Rotary Club of Singapore has set up its first interact club focused on public health in Sembawang.

The Interact Club of Sembawang (ICS), which was launched on Wednesday (June 15), will see its 49 members, aged 15 to 19 years old, organising health-related programmes in the area.

Some programmes include inculcating healthy eating and exercise habits in young children, providing mental health support for youth, and organising social activities for the elderly.

THANK YOU

I wish to express my appreciation to Rotary Club of Singapore Rotarians for their time, support, and effort in providing the best assistance that we can to those who are preparing for tomorrow today. Youth service has been emphasized this year. Each Rotarian Advisor was able to spend time with our Youth and came forward to donate when others were unable to do so. The Power of Youth is firmly anchored in our clubs. It is an honour for me to witness the diligence and hard work of so many Rotarians from our club.

DG DOLLY YEAP SIEW KEAT
reaches the peak of Mt. Kinabalu
(Malaysia's highest mountain)

Dolly Yeap
Governor RY2021-22

Rotary
District 3310

Our 1st woman District Governor of Rotary International District 3310 Governor that covers Melaka, Johor, Sarawak, Sabah, Singapore and Brunei Darussalam, age 60 plus reaches the summit of Mount Kinabalu on the early morning of the 23rd April, 2022. Gunung Kinabalu, with a height 4095m (13,435ft) is the highest mountain in Malaysia and the highest in SE Asia has been graced in the RM1 note (1998) and in the current RM100 note. This shows the importance of this mountain to the Malaysian Government and its position as a UNESCO heritage site. The 8.5 trek to Low's peak is a difficult climb and has claimed the lives of several climbers. All new climbers must now be accompanied by the qualified guides. The 2015 earthquake killed a number of mountain guides who were the heroes when they went up to rescue the stranded.

DG Dolly Yeap is a well travelled person. She recently travelled to Calcutta to visit the shrine of Mother Theresa the original humanitarian responsible for charity amongst the India Dispalced Orphans. The Rotary Club of Kota Melaka feels the DG's splendid effort should not go in vain and we decided to take this effort to raise funds for The Fatima Home and the Pusat Jagaan Kanak-Kanak CERIA. Both these homes were set up to care for the children from Broken Homes and they need funds during these time when they do not have the money to buy essentials.

The Trek up the mountain is full of exquisite flora & fauna and is very challenging. No one can count the number of steps leading up to Mt. Kinabalu, this will make the 272 steps up the Batu Caves staircase, look like child's play. Halfway up the mountain lies Malaysia's highest modern toilets built by some kind of souls who had the weary climbers at heart. Funds raised from this project will be partially given to the dependents of the heroic mountain guides who died during the 2015 earthquake.

Rotaract Clubs' Status on the Elevate Rotaract Policies

Throughout the Rotary Year 2021-22, District Rotaract Representative Divagaran Kalaivanan conducted his visits to 31 Rotaract Clubs via zoom and/or physical sessions and researched on the issues and conditions that the Rotaract Clubs faced on the Elevate Rotaract Matters. There are a total of 20 Institutional Based Rotaract Clubs and 11 Community Based Rotaract Clubs.

Here are some of the findings on the Elevate Rotaract Statuses for Rotaract Clubs in Institutional Based,

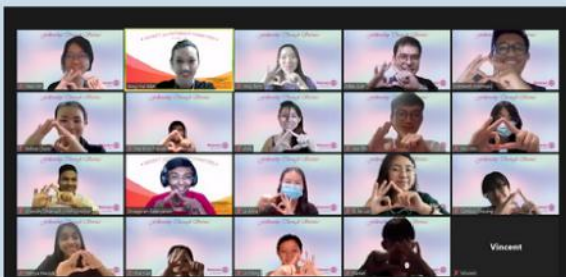

As Rotaract Clubs are classified as Co-Curricular Activities (CCAs) in their respective ITEs, Colleges, Polytechnics and Universities, they face competition of recruiting members to their clubs with other CCAs other community service related CCAs. With the implementation of the Rotaract membership dues on 1st July 2022, the clubs face another obstacle that will bring down their recruitment of members every year due to other CCAs having to not imposed such

dues on their members. Though the benefits of paying the dues were highlighted during the visits, e.g., Rotary Learning Center, leadership events etc., clubs mentioned that the students can join in other CCAs that offers the following benefits for free. Due to the strict rules and regulations by the institutions, teacher advisors that were present in some of the DRR Visits mentioned that collection of the membership dues from the students is strictly not allowed. However, some Rotaract Clubs may be given approval in using their Club Budget, given by the certain institutions every year, to pay for the Board of Directors membership fees, but not the entire club members. This is subject to approval by the higher management of the Institutions. Most students in the institutions are also joining Rotaract Clubs to complete community requirements during their course of studies. Thus, clubs feel that imposing such dues on members that are only joining for the volunteering aspect is not advisable and it will create a drop in the membership strength of the club.

Findings for community based Rotaract Clubs showcased that most members are generally alright in paying the membership dues for the club. For the Registry of Societies, some of the Rotaract Clubs are tied to other associations such as Community Development Council or People's Association, thus they could not be registered under the registry of Societies. Some clubs also do not meet the minimum requirement number of members to register as a society as well. Currently, there are 3 community based Rotaract clubs that are registered under ROS which are, Rotaract Club of Johor Bahru, Rotaract Club of Raffles City and Rotaract Club of Singapore West.

Recommendations

From the findings above, it is recommended that District 3310 will have to work closely with the respective sponsoring clubs ensuring the dues could be co-paid or fully paid for the Institutional-Based Rotaract Clubs Board of Directors.

In the long-term, there is a need for an action plan to come up something that can help offset the dues for these clubs. District Rotaract Representative Divagaran will continue in Rotary Year 2022-23 as Elevate Rotaract – Lead to work on a long-term solution for the institutional based Rotaract Clubs to report the full membership for the 31 Rotaract Clubs in our District.

SERVE TO
CHANGE LIVES

1ST WOMAN GOVERNOR ROTARY DISTRICT 3310

Governor Dolly Yeap
RY2021-22

Rotary is a beautiful organisation,
and I am very proud to be a Rotarian.

In this Rotary journey of mine, I find that
ROTARY is a place to be, for it has changed my life.
ROTARY giving, we changed the lives of others.
ROTARY, I believe is good for the heart and soul.
