

DANG holds first Rotary Information Event & Networking in Singapore

11 November 2017

PP Perlita Tiro
District Alumni Chair

The Rotary District 3310 Alumni Networking Group (DANG) recently launched the Rotary Information & Networking Event for DANG members in Singapore who are over 25 years old. The objective was to provide them with information on what Rotary is all about, especially to share the Rotary experience of achieving fulfillment in life, through making a difference in the lives of others. The invitation was extended to prospective Rotarians so that they too would know more about Rotary and be interested in joining the movement.

Rotary's service projects locally and in the region and the Rotary Journey of a Senior Rotarian in the District were highlights of the Event. Participants were also presented the opportunity to network with each other as well as with senior Rotarians, including PP Chandran Pillay, District RYLA Chair. New DANG members were also presented with their District Alumni pins.

Held at the Foundation of Rotary Clubs in Singapore office from 2-5 pm on 11 November, 2017, the programme was as follows:

Welcome & Introduction	Past President Perlita Tiro - District Alumni Chair
Rotary Information	Past President Brown Pereira - District Rotaract Chair
