

The Rotary Classroom at Pusat Ehsan today

Pusat Ehsan Al-Ameerah Al-Hajjah Maryam is as an Independent Centre originally purpose built by the Halfway Development Project Team and with the cooperation of His Majesty's Government; to cater for the psychologically impaired people who, while not requiring institutionalization could still pursue Industrial Therapy Activity in the form of sheltered workshops.

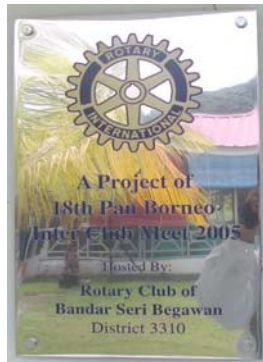

The centre has been developing programs and activities, which would complement the services for people with special needs. The centre is now providing training in skills such as Card Making, Orchid Growing, Hydroponics, Pottery and Handicraft.

The Vision of the centre is to enable the Special Community of people to move towards a meaningful life in Society, while it's Mission is to train, assist and care for people with special needs to reach their full potential.

The workshop

The gift of a workshop by compassionate Rotarians in Borneo on the occasion of the Centennial 18th Pan Borneo Interclub Meet 2005, in Brunei Darussalam has helped brighten the day for many of the special children in need.
