There are a number of platforms which you can utilize to keep yourself abreast with the latest Rotary information and events in our district.

The **District Directory** is now available to each club president and district officers. The **DG Update** you are receiving here, is a concise **e-broadcast**, that captures events that has transpired and are upcoming. For a leisurely read, grab a copy of the **Governor's Bulletin**, which will be distributed soon. If you have an interesting article or project report to share, do send them to Bulletin editor-in-chief, AG Michael Yee (yfyee@singnet.com.sg)

In addition to the traditional media, district 3310 has also embraced new media. Visit our **district website** www.rotarydistrict3310.org.my for forum discussions, district reports etc.

Many clubs have set up their own websites and facebook. The **World Community Service** Committee has also set up a **blog** site, where you can enlist partners for your international projects. <http://rotary3310.wordpress.com>

+ District 3310 Leadership Seminar

Date: 13 November 2009, 9am to 4.15pm

Venue: KULAI DIALYSIS CENTRE (ROTARY SECRETARIAT)

Objectives: to motivate and train senior Rotarians in our District to serve beyond the club level.

We encourage all Rotarians who have either served as president or in a club leadership role for more than 3 years to register. We will **limit the number to 30, on a first-come-first-serve basis.**

PDGs and past AGs will help identify those who have shown the potential for holding higher office at District level and encourage them to attend. I especially invite Assistant Governors and District Chairmen, who will serve in my year of office, to attend so that they can be more effective to lead. Potential trainers will also be identified.

Please contact [PP Lee Kong Hwee](#) or myself for more info.

Thanking you
Dr K.A. Abraham
