SIAM NIRAMIT...Journey to the Enchanted Kingdom of Siam

“这是一个令人陶醉的夜晚，首先是那充满魅力的泰国农村生活，继之就是那场最具震撼力的特殊效果、既神奇又壮观的演出。”

Siam Niramit Show This is a spectacular, world-class performance of Thailand's unique arts and cultural heritage. Its special effects use state-of-the-art technology. The Siam Niramit Show is one of the largest stage productions in the world, with 150 performers using 500 costumes. This is a journey to the enchanted Kingdom of Siam no one must miss.

The Traditional Thai Village Siam Niramit is set on a site of 10 acres. In addition to the theater, the site comprises a quaint and picturesque traditional Thai village set on a canal, vividly bringing to life the lifestyles, arts, and crafts of the kingdom's four regions. Rotarians can feast their eyes on the Thai traditional life of bygone eras and other cultural activities and demonstrations rarely seen nowadays.

The Outdoor Entertainment Although the Siam Niramit Show starts only at 8:00 pm, we encourage Rotarians and their families to come earlier – gates open at 5:30 pm – to enjoy a host of entertaining outdoor activities for young and old alike. These are designed for family entertainment – from elephant feeding to Thai traditional massage, music, dance, and more!
