

Dear Rotarians,

Lets Start off the Conference with a swing!

GOLF Flyer 01/09/10

Enjoy a round of Fellowship Golf at **THANONT GOLF VIEW & SPORT CLUB**

Thanont Golf View & Sport Club situated on the outskirts of Bangkok is one of the easier to reach golf courses from the Bangkok city center.

The course is one of only a handful of Bob McFarland designed golf courses in Asia. Water surrounds the entire golf course which is basically flat as has a very interesting layout.

There is challenge for the accomplished golfer as well as relief for the less skilled. There are several notable holes including five with island greens. Holes 1, 2, 3, 7 and 9 and the finish to the ninth are all played on separate islands.

The golf course highlights however, are the long par-four ninth and the par-five eighteenth. At both holes players have to negotiate a huge lake which over-looks the clubhouse.

A full range of facilities are available including 2 restaurants, an ample locker room, and pro shop.
