

# *ROTARY CLUB MADIUN RAYA*

**INDONESIA D-3420**

The historical of RC Madiun Raya was started on 1996, at D3400 Discon in Batu, Malang, but there was no follow up. It started again on 2006, when CP Eka Hartono was interested in YEP for his son, then Tommy Hartono was sponsored by RC Surabaya Darmo for YEP. DG was Augustine Goh then asked PP Gatut Prasetyo to be GSR for Madiun, he worked so hard together with CP Eka Hartono to get 20 members for 6 months, before finally they gave up of.

However the hope of CP Eka Hartono to be a Rotarian was very big as on 2010, he visited Solo and met AG Ina Primani and DG Al Purwa to have a Rotary fellowship. Without wasting time DG Al Purwa took action and gave mandatory to AG Ina Primani from RC Solo Raya to be the GRS of RC Madiun Raya. AG Ina Primani came to Madiun every week to lead the meeting and construct the Club Board.

Finally with helped of PDG Ritje Rihatinah in completing the club documents which are compulsory, RC Madiun Raya was officially chartered on May 23<sup>rd</sup> 2011, and we did the Charter Presentation on June 25<sup>th</sup> 2011. The inauguration was held in Hotel Merdeka, that was attended by many Rotarians from various clubs in D3400 then. Rotarians the members of RC Madiun Raya must thank to CP Eka Hartono, who was very persistent and dedicated in building the club then, so that RC Madiun Raya could exist and does many useful and sustainable projects for community in Madiun and around Madiun up to now.

The Charter Presentation on June 25<sup>th</sup>, 2011 at Hotel Merdeka, Madiun. Many Rotarians from Surabaya and Bandung attended this inauguration.
