## EDITORIAL

Fellow Rotarians,

Jogja Merapi bulletin this June 2012 will remind us again of the history of the Rotary Club of Jogja Merapi (RCJM).

It also reviewed the philosophy of Jogja Merapi's logo with a picture of mount Merapi which has white smoke.

Including in the bulletin is the review of the RCJM's activities that have been implemented and ongoing since its inception in 2003 until now. Focus of these activities are the disease prevention and treatment; water, sanitation and environmental; maternal and child health, basic education and literacy; and economic and community development.

Happy reading!

Regards,  
Editor

## BOARD OF RC JOGJA MERAPI 2012-2013

## *THE HISTORY OF ROTARY CLUB OF JOGJA MERAPI*

In respond to the appeal of Rotary International and District 3400 of the importance of the development and expansion of the club, management of RC Yogya Tugu 2002/2003 plan to form a new Rotary Club. After that preparation for the formation was performed. Then PP Budiono Halim, as GSR, suggested the name "Jogja Merapi" with the logo of Mount Merapi smoldering, the Rotary Club of Jogja Merapi was formed.

RC Jogja Merapi inaugural meeting held at Djanur Kuning Restaurant, Inna Garuda Hotel, Jl. Malioboro 60, Yogyakarta. RC Jogja Merapi marching songs was proposed, the lyrics and notes is created by Budiono Halim on May 7, 2003, was played for the first time here.

On October 2, 2003 good news was received from Dora Kordek (Club and District Administration Asia / Pacific), the RC Jogja Merapi accepted as a member of Rotary International on September 30, 2003. But then proposed to be changed to October 1, the proposal received a positive response to the receipt of a letter from the Rotary International Evanston, USA, dated October 9, 2003 the Rotary Club of Jogja Merapi (RCJM) has been accepted as a member of Rotary International on October 1.

The Charter Presentation of RC Jogja Merapi and R.I. Centennial Celebration were held at Pagelaran Kraton (Sultan Palace), Yogyakarta on February 17, 2004.

Until now, October 1 is still memorized as the birthday of RC Jogja Merapi. Almost 9 years since its establishment, RC Jogja Merapi remains committed to embracing the community toward a better life through activities in health, education, economy and community.

## *LOGO'S PHILOSOPHY*

Dominant color on the logo of Rotary Club of Jogja Merapi (RCJM) is dark blue, symbolizing the spirit of love is full of sincere friendship of the deepest heart of its members.

On the left side there of the logo is a jagged wheel emblem of Rotary International while in the center is Mount Merapi's smoldering, can be imagined there is a liaison between the Rotary International through RC Jogja Merapi and surrounding communities

RC Jogja Merapi logo is designed by Rtn. Esther Wibowo in conjunction with the publication of the first bulletin on August 20, 2003 and be appointed on September 17, 2003

Bright color palate described the spirit of service to others, peace, enthusiasm and hope for a bright future.

White smoke billowing quietly could be interpreted as a reflection of a sincere love of peace which is everlasting abundance of Rotarians RC Jogja Merapi. Willing to sacrifice themselves and serve others in need.

At the bottom of the logo is written RC Jogja Merapi, in hope RCJM may be lasting, there is a sincere friendship, and compact cooperation, and useful to society, so the world becomes more peaceful, prosperous and sustainable.
