

Rotary

District 3310

11 October 2014, Saturday
9 am - 12 noon
Fusionopolis Theatre, Singapore

Walk-The -Talk gives recognition to worthy vocations, as a means to serve the community, and highlights the importance of ethical practices. This **ROTARY DAY** event provides networking opportunities for Rotarians and the public.

Join us and be inspired by our speakers who have walked the talk in elevating standards of practices - from the ethical use of data protection to corporate social responsibilities.

Programme

8.15 am: Registration

8.45 am: Please be seated in the theatre. Security checks. No food allowed in theatre

9.00 am: Welcome Greetings by Vocational Service Chair June Jonet

Walk-the-Talk: Session I

9.10 am: **Mr Suresh Keerthi, Rotary ASME Entrepreneur of the year Award**

The Rotary ASME Entrepreneur of the year Award recognizes the spirit of enterprise and advocates good standard of practice in the industry. Find out what it takes to raise the bar and what are some of the success stories.

9.30 am: **Mr Derrick Wong, DBC Legal**

With the new Privacy and Data Protection Act in place, many clubs and organisations are unsure of the do's and don'ts. Derrick will clarify the spirit of the law VS the word of the law.

9.50 am: **Ms Violet Lim, Lunch Actually**

Let's talk about Stats.... In fast paced Singapore, what are some of the statistics of Work Life and Love. Violet Lim is CEO of Lunch Actually, Asia's first lunch dating company.

10.10am Break. Refreshments served at lounge area

Walk-the-Talk : Session II

10.40 am: **Ms Saleemah Ismail, United Nations Women**

Saleemah shares the impact of Social Inclusion and Economic Empowerment programmes based on her working experience with UN agencies and UN Women. She has worked closely with migrant women and families, through AIDHA, and incarcerated women and children via New Life Stories. Saleemah was co-chair of Anti-trafficking Committee for UN Women and remains a key driver in the anti-trafficking civil society.

11.00 am: **Nidhi Swarup, Crohns & Collitis Society of Singapore**

Nidhi founded the Crohns & Collitis Society of Singapore after suffering from the auto immune disease herself. Now, other patients have an avenue of support. CCSS will soon launch a "Can't Wait" card, that allows patients suffering from inflammatory bowel disease to jump queues to use public toilets.

11.20 am: **Sumitra Debi, Sutattoo - Rebuilding lives with Nipple Tattoo Reconstruction**

Breast cancer is the most common cancer for women here. Although more than half of them have a mastectomy, the general public's awareness of breast, nipple and areola reconstruction and tattooing remains low. Ms Sumitra Debi is the only professional tattoo artist in Singapore who does nipple tattoo reconstruction. She will share about the latest 3D tattoo technology and how it helps breast cancer patients gain back their confidence

11.40am **Rotary International District 3310 Governor, Andre Suharto**

Thank you and Closing note

11.45 am **Questions & Answers with our panel of speakers**

Send questions via email and tweets.

12.15 pm **END**
