FD03 : Chiang Rai + Long Neck Village One Day Tour

We will pick you up at your hotel between 7.00 and 7.30 am. We will take a minibus or van to Chiang Rai, stopping at hot spring to relax for about 15 minutes. Then we will go to Wat Rongkhun (White Temple). After that we will go the Golden Triangle (the frontier between Laos, Myanmar and Thailand). We will have a buffet lunch at Mae Sai District. Mae Sai is located at the border between Thailand and Myanmar. This border town has a big market for shopping and the reasonable price of most goods reflects their Chinese origin, transported down the Khong River. After lunch we will go to visit the Karen Long Neck hill tribe village. There is only one Karen hill-tribe. Women put brass rings on their neck when they are 5 or 6 years old and increase the number every year until their necks become longer as a symbol of beauty. They are one of the most interesting hill tribes in the world. Nearby is the big ear hill-tribe. We return to Chiang Mai at about 9.00 pm.
