

Chairmen’s Message

Dear Fellow Rotarians,

While the COVID-19 pandemic rages on and has affected our planning and preparation of the 31st Presidents-elect Training Seminar(PETS) and District Training Assembly (DISTAS). However, we should all the more be steadfast in our faith that we are able to carry out the above event successfully by mixed partial virtual and physical arrangements.

Rotary Club of Kulai and Rotary Club of Batu Pahat are both honour to be entrusted the task by the First Woman District Governor-elect Dolly Yeap to organise the dinners of above district events.

Due to the pandemic, we intend to scale down the physical meets to two PETS and DISTAS dinners only. Hopefully by the intended dates, the Government will relax the Movement Control Order (MCO) and allowed interstates travel in Peninsular Malaysia.

The proposed events are highlighted as below;

Regions	Place of Dinners	30 th April 2021 7:00 PM	1 st May 2021 7:00 PM	Event Type or Format
Johor & Malacca	Johor Bahru	Presidents Dinner	Governor’s Banquet	Hybrid

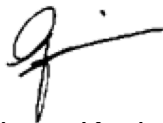

Further, the organising committee had also proposed that the Regions of Brunei, Sabah, Sarawak, and Singapore shall also conducted similar events separately and simultaneously at the same dates and times. We shall then links all the events at all regions by internet Zooming facilities. Though the Rotarian are physically separated but yet closely connected at hearts.

We, the Rotary Club of Kulai and Rotary Club of Batu Pahat as host clubs assure a good sharing of Rotary knowledge, interesting and colourful entertainment, and most of all good and warmth fellowships.

We shall roll out the notice of registration requirement for the two events and hope all Rotarians will not missed out the events.

Thank you and Regards,

Yours in Rotary
