Rotary Leadership Institute Cambodia Division 2nd Training Session (Khmer Class)

Date: 2025.4/26.27

Location: Phnom Penh, Cambodia

Rotarians: 60

RLI's first Khmer language training session in Southeast Asia was an attempt to accomplish the impossible. The rigorous training will be supplemented by the education of love. Because it is taught in the local culture, all the rotarians interact well and are grateful.

The Facilitators have gone through many drills and have actually checked the results one day before the training session, achieving the effect of mutual learning between teaching and learning.

If I believe in it, everything has a chance of success. We thank the Cambodian Rotarians for their enthusiasm in participating in the training session.

We believe that the future growth of Cambodian Rotarians is promising.

PDG Stan Lee, Rotary Leadership Institute Cambodia Division Coordinator
